Mat

The 8 year old who received it could not understand the jokes They are aimed at an older cynical audience the parents perhaps I don't recommend this for anyone under 12 English My daughter liked it Some funny jokes some not Only gave a 4 because she read it for one day and was done with it English My 8 year old says that most of the jokes are "cheesy" but he keeps reading and laughing so it's a win in my book English I bought this to help my son WANT to read It worked and he thinks he's a great comedian now English My 8 year old granddaughter is always trying to tell jokes but is not very successful This book was just what she needed Some of the jokes are tacky but to an 8 year old they are just funny She is enjoying reading and telling all the jokes in the book I'm sure she'll drive her parents nuts over the 2 week Christmas break but I know she's happy with that English.
