

Taste (The Five Senses Series) By Maria Rius

Arrived just as stated! 0812035666 As part of a set on the senses the illustrations and script come close to actually tasting the real things! 0812035666 good for 5 senses 0812035666 Do you remember your first realization of any of your five senses? Prolific children's author J. These five colorful books awaken young minds to the wonders of the senses: the taste of oranges the aroma of fresh baked bread and other sensations that give us delight in being alive. Parramon successfully tackles these tough concepts in words that 3 5 year olds can comprehend. Educational yet fun to read this clever series is clearly written and cheerfully illustrated in flowing colors throughout, Each book includes a special scientific section to help parents answer their children's questions about the senses: Taste (The Five Senses Series) I bought these books as a teaching tool for my five senses unit: I have not used them yet but they are written in a way young students could understand: 0812035666 Our grand daughter wanted this book to complete the series she has had for years. My aunt gave her the other four but this one was missing from the group, Luck find! 0812035666 I used this series of books with a daycare class. The pictures are engaging and the text is a fun way to introduce children to the senses: Each book contains further pictures and explanations about the mechanics of the body i. the nose ears 0812035666 I'm a kindergarten teacher and this book is great for teaching one of the five senses! 0812035666 Love this serie. Must have for any preschool teachers for the 5 senses theme. M. The kids loved them.e. I use all 5 with my preschoolers. Good illustrations easy text. 0812035666
