Love it[1]

But listener too. My youngest is 8 and stories are still in high demand. The book is also just a joy to read. Telling stories well is a skill we all need. He is experienced, knowledgeable and funny. But the spoken word is a gift. Corey makes that very clear in his book. He was captivated truthfully. My puppy on the other hand, well that's another story. An easy step-by-step method for all levels. And—he stuck the landing. Once upon a time I used to tell stories. And every day I'd tell the same ones in the same way. Until one day I bought this book. Until finally I decided to start working on my own story. This book does not disappoint. 240 pages This book is a total gem. 240 pages.
