

Secrets of a Devon Wood: My Nature Journal : Brown, Jo By Jo Brown **Secrets of a devon wood pdf** Secrets of a Devon Wood is a treat for the senses a hymn to the intricate beauty of the natural world and a quiet call to arms for all of us to acknowledge and preserve it. **Secrets of a devon wood my nature journal** I hope Jo publishes of her work I would love to see British mammals amphibians and reptiles in her next work oh and fungi and spiders please in fact any aspect of our wonderful natural environment will do ☐ Secrets of a Devon Wood: My Nature Journal Okay so first of all it is a beautiful book! The illustrations are amazing! However I get towards the last section of the book and the last 20 pages of it is unillustrated ! I would be okay with this if it was advertised maybe so you can try it yourself but seeing the printed scribbles on the last page leads me to think that the author has printed an unfinished nature journal. They deserve to be remembered Artist and illustrator Jo Brown started keeping her nature diary in a bid to document the small wonders of the wood behind her home in Devon. **Secrets of a devon wood my nature journal** The pages in this book are an exact replica of those in her original journal a rich illustrated memory of Jo's discoveries in the order in which she found them: **Secrets of a devon wood pdf** In enchanting minute detail she zooms in on a bog beacon mushroom a buff tailed bumblebee or a native bluebell, **Secrets of a devon wood jo brown** It is a book that will stay with you long after you finally put it down. **Secrets of a devon wood my nature journal** Secrets of a Devon Wood: My Nature Journal : Brown Jo

This book is the work of Jo Brown otherwise known as Bernoid on social media. **Secrets of a devon wood pdf** The journal covers a vast array of wildlife found in the Devon (and obviously UK) countryside: **Secrets of a devon wood pdf** Each page has nature notes to accompany each sketch and data such as the date and rough location: **Secrets of a devon wood pdf** It's also features unique characteristics such as tippexed out text that shows how it is an individuals own work: **Secrets of a devon wood my nature journal** I would highly recommend this as a treat for yourself or as a lovely gift for a nature lover: **Secrets of a devon wood my nature journal** Secrets of a Devon Wood: My Nature Journal This is a beautiful little book carefully reproduced and a delight to see: **Secrets of a devon wood pdf** However I was expecting descriptions of the wood the context of the plants etc etc. **Secrets of a devon wood pdf** Secrets of a Devon Wood: My Nature Journal This book is amazing absolutely love it and it is educational too. **Secrets of a devon wood jo brown** Illustrations are beautiful and the cover is stunning (sleeve and under sleeve). **Secrets of a devon wood my nature journal** Highly recommended would make a lovely gift for yourself or anyone else: **Secrets of a devon wood pdf** Secrets of a Devon Wood: My Nature Journal I love this book: **Secrets of a devon wood jo brown** It is beautifully presented as Jo Brown's (author/illustrator) own personal nature diary: **Secrets of a devon wood my nature journal** Her descriptions are handwritten (a lost art in itself) and are clear and concise: **Secrets of a devon wood pdf** This gorgeous book took me back to my childhood with my own nature diaries and drawings of wild creatures: **Secrets of a devon wood jo brown** I think it could have waited until the journal was finished or sell it as a try it yourself type book instead: **Secrets of a devon wood pdf** I'm so disappointed as the illustrated part of the book is so good! Secrets of a Devon Wood: My Nature Journal.

Things of such magnitude deserve respect and understanding. And she notes facts about their physiology and life history. This is stunning art with notes. If you want writing it might not be for you. So glad I came across it. I loved that she presented so many varieties of fungi
