. Robbins's business and personal development events. He is the nation's #1 life and business strategist. He lives in Palm Beach Florida.S. This why my review is reflected by 4 stars.Tony's chapters like his books were great again. It's pretty funny here and there too.What I was missing were clear strategies based on examples. It was not very implementation oriented for me.I am grateful for this gift. Well done Peter and Tonny life long mentor
