It's a bad start to a guide about Pakistan when the very first sentence in the book says the guide is designed to give you inspiration for your trip to Iceland, It would for example be helpful to have a map of Pakistan at the beginning of the guide rather than wait to page 356, There is a LOT of hype for Pakistan tourism these days mostly by (paid?) 'influencers'' blogs and YouTube channels. About how 'safe' and 'friendly' are Peshawar Lahore Karachi Balochistan are. The maps are also inadequate. Insight Guides The best you'll finish. I am very skeptical
