

Girl with a Pearl Earring By Tracy Chevalier **Book girl with a pearl earring** How could I ever suspend my disbelief with this work? How could I ever believe such a ridiculous tale about Vermeer and one of his most revered paintings? I must admit that I opened this novel expecting to utterly detest the lies it weaves. **Book girl with a pearl earring** سال تاریخ نخستین خوانش: ماه نوامبر سال

2001 میلادی عنوان: دختری با گوشواره مروارید؛ نویسنده: تریسی شوالیه؛ مترجم: گلی امامی؛ تهران، نشر چشمه، 1380 در 237ص؛ موضوع داستانهای نویسندگان آمریکایی بریتانیا - سده 20م عنوان: دختری با گوشواره مروارید؛ نویسنده: تریسی شوالیه؛ مترجم: طاهره صدیقیان؛ تهران، کتابسرای تندیس، 1381، در 269ص، شابک 9789645757401؛ نقاشی روی جلد کتاب را، «یوهانس ورمیر»، در سده ی هفدهم میلادی کشیده است، حدسها برای شناسایی نام این مدل نقاشی، بسیار گسترده بوده؛ و همه ی آنها، به علت عدم وجود مشخصه ای ویژه، در «صورت»، «لباس»، یا حتی «محیط»، در حد حدس و گمان، باقیمانده است؛ از جمله ی حدسها، به «ماریا ورمیر (دختر بزرگ یوهانس)»، «مدلینا ون رویژون (دختر دوست و حامی یوهانس، پیترون رویژون)»، و یا مدل گمنامی، که در خانه ی «ورمیر» به عنوان پیشخدمت کار می کرد، میتوان اشاره کرد؛ جدای از همه ی این حسها و تفاسیر، این اثر نقاشی از معدود آثاری است، که الهامبخش بسیاری از نویسندگان، نقاشان و فیلمسازان در سده ها پس از شکل گیریش بوده است؛ از جمله همین نویسنده «تریسی شوالیه» نیز تحت تاثیر همین نقاشی، این داستان را آفریده است؛ داستان در «دلف»، شهر محل اقامت نقاش، و خانواده اش رخ می دهد؛ رمان جایی آغاز می شود، که «یوهانس ورمیر» و همسرش «کاتارینا»، به خانه ی پدر و مادر «گرت» می آیند، تا او را ببینند؛ آنها به دنبال خدمتکاری برای خانه شان می گردند؛ پدر «گرت» کاشی سازی است، که بر اثر حادثه ای، بینایی خویش را از دست داده، و از کار افتاده شده؛ خانواده ی «گرت» در شرایط اقتصادی بسیار بدی به سر می برند، بنابراین تصمیم می گیرند، دخترک شانزده ساله، به عنوان خدمتکار، مشغول کار شود؛ «گرت» دختری مذهبی است، و از اینکه باید به خانه ی کاتولیکها برود، احساس چندان خوشایندی ندارد؛ خانواده ی «ورمیر» موافقت کرده اند، او روزهای یکشنبه، به خانه ی خویش برگردد؛ در ادامه ی داستان، «گرت» توجه ارباب را به خود جلب می کند، و اجازه پیدا می کند، کارگاه نقاشی ارباب را، تمیز کند؛ از آنجایی که «یوهانس ورمیر» اجازه ی ورود اعضای خانه، به کارگاهش را نمی دهد، این مسئله، حساسیت برانگیز می شود؛ تا اینکه نقاش، تصمیم می گیرد، پرتره ی دخترک را نقاشی کند، او از «گرت» می خواهد گوشواره های مروارید همسرش را، بیاویزد، و به جای مدل؛ نقل از متن: (حرفهایش باعث حیرت من شد، اما وقتی به چشمانش نگاه **Book girl with a pearl earring** بنشیند کردم، و در آنها گرسنگی را دیدم، دریافتم که چرا غرورش را، کنار گذاشته است، این گرسنگی را، پسر یک قصاب می توانست بر ط^{۴۴}ف کند دست کم در مورد دروغی که جلوتر گفته بودم؛ سئوالی نکرد؛ نمی توانستم به آنها بگویم، چرا «تانکی» از من عصبانی است؛ آن دروغ، دروغی بسیار بزرگتر را پنهان می کرد؛ مجبور می شدم بیش از اندازه ^{۴۴}وضیح دهم؛ «تانکی» فهمیده بود بعد از ظهرها که می بایست مشغول خیاطی باشم، چکار می کنم من به ارباب کمک می کردم و ماه پیش شروع شده بود؛ بعد از ظهری در ماه ژانویه، کمی بعد از تولد «فرانسیسکو»؛ هوا سرد بود؛ «فرانسیسکو» و «یوهان» هر دو بیمار بودند؛ سرفه می کردند، و به سختی نفس می کشیدند؛ «کاتارینا» و دایه کنار آتش رختشویخانه به آنها رسیدگی می کردند، و بقیه ی ما نزدیک آتش آشپزخانه نشسته بودیم فقط او آنجا نبود؛ بالا بود؛ به نظر نمی رسید که سرما بر او تاثیر بگذارد کاتارینا آمد و در درگاه میان آشپزخانه و رختشویخانه ایستاد؛ گفت: «کسی باید به عطاری برود»؛ صورتش سرخ شده بود: «مقداری دارو برای پسرها می خواهم»؛ مستقیما به من نگاه می کرد معمولا من، آخرین نفری بودم، که برای چنین کاری، انتخاب می شدم؛ رفتن به عطاری، مثل خرید از قصابی، یا ماهی فروشی نبود، وظایفی که «کاتارینا»، پس از تولد «فرانسیسکو»، همچنان به عهده ی من، گذاشته بود؛ عطاری، پزشکی مورد احترام بود، و «کاتارینا» و «ماریاتین»، دوست داشتند، خودشان به آنجا بروند؛ چنین تجملی برای من، مجاز نبود؛ هرچند در هوای به این سردی، هر وظیفه ای، به کم اهمیت ترین عضو خانه سپرده می شد؛ برای اولین بار، «مرته» و «الیزابت»، نخواستند مرا همراهی کنند؛ خودم را در شنل و شالی پشمی، پیچیدم، و «کاتارینا» به من گفت، از عطاری، گل خشک اقطی، بخرم؛ «کورنلیا» در اطرافم می چرخید، و مرا تماشا می کرد، که گوشه های شال را به هم گره می زد **Girl with a pearl earring book characters** With Girl With a Pearl Earring (written in 1998) I became a full time writer and have since juggled it with motherhood {site_link} History and fiction merge seamlessly in Tracy Chevalier's luminous novel about artistic vision and sensual awakening. **Girl with a pearl earring book analysis** Through the eyes of sixteen-year-old Griet the world of 1660s

Holland comes dazzlingly alive in this richly imagined portrait of the young woman who inspired one of Vermeer's most celebrated paintings. **Girl with a pearl earring book genre** Girl with a Pearl Earring

I know almost nothing about art but even I can tell that Girl With a Pearl Earring by Johannes Vermeer is a brilliant painting; 'captivating' is probably the best word to describe it. **Book girl with a pearl earring** I had a pretty clear picture of the Netherlands in the seventeenth century by the time I was done with the book (whether or not its accurate or not is another matter) but I felt at times that there wasn't that detail that critics proclaimed about on the cover. **Girl with a pearl earring copy** This is first person narrative at its simplest (and blandest) and I don't feel that we gain anything from it - the novel may just as well have been in third person and would not have suffered for it. **Girl with a pearl earring book review** Split into parts that represent years rather than having chapter breaks makes it difficult to find a stopping place at times and it is this more than anything else that makes a page turner of the novel. **Girl with a pearl earring funny** The scenes are handled with less intensity than I had hoped for from the build up and once the painting is finished Chevalier seems to want nothing but for the novel to be over too and closes it down rather too quickly. **Girl with a pearl earring is of who** As someone who has always admired his paintings I do wish he had been more prolific with his brush but the fact that there are so few paintings by Vermeer make them all the more precious. **Girl with a pearl earring johannes vermeer** Catharina Vermeer's wife liked being pregnant and though the added burden of a new mouth to feed each year places extra financial stress on her husband and her mother Maria Thins she is oblivious to the consequences. **Girl with a pearl earring for sale** Does she run or does she wait for something to happen? There are lots of moments that need no dialogue as Griet experiences impossible longings... "I could not think of anything but his fingers on my neck his thumb on my lips. **Girl with a pearl earring gigapixel** With her direct gaze at her audience and the slight parting of her lips this is an acceptable form of pornography slightly scandalous fodder for gossips but not anything that could bring unwanted attention from the authorities. **Girl with a pearl earring book analysis** It was like looking at a star in the night sky--if I looked at one directly I could barely see it but if I looked from the corner of my eye it became much brighter. **Girl with a pearl earring book club questions** Whilst I will admit that at times Griet's dialogue is somewhat stilted and some lines are just downright odd ('His smile made me grip my broom tightly' was one line that made me chuckle due to its utter ridiculousness) she is never an annoying or tiring character. **Girl with a pearl earring coloring page** 233 Another one of my wife's recommendations (I read a lot of books that way) I picked it up from the bookshelf the night we came back from seeing the film with Scarlett Johansson and Colin Firth. **Girl with a pearl earring book review** I loved the movie--it was just so incredibly sumptuous--and was curious to know the story in the novel which I knew from experience and from my wife's continuous comments would be different more detailed. **Girl with a pearl earring laundry art** Completely fictional (no one knows who exactly were the models for any of Vermeer's paintings) it nonetheless possesses a veracity that makes you believe Chevalier found the long-lost journal of this unknown woman and wrote her novel based on it. **Girl with a pearl earring line drawing** The details of seventeenth century Holland are rich; you feel you are walking the canal-lined streets of Delft smelling the pungent scents of the Meat Market holding your breath as

Vermeer paints next to you. **Girl with a pearl earring soundtrack** Girl is one of those novels that truly invites you and almost kidnaps you to become part of the story to walk next to the characters to share in their lives to feel as they feel. **Girl with a pearl earring line drawing** Her father has been recently blinded in an accident and the family's precarious economic situation forces Griet's parents to find her employment as a maid in painter Johannes Vermeer's household. **Girl with a pearl earring laundry art** She also becomes friendly with Tanneke the other house servant it is and will always remain one of my favourite books a story that is evergreen and has such an emotional story worth retelling. **Girl with a pearl earring book review** Tracy Chevalier has been inspired by the artwork of Johannes Vermeer and his most famous painting the Girl with a Pearl Earring that she decided to write a story of what she believes might have happened behind that painting. **Girl with a pearl earring free download** For me when looking at paintings this is one of the things that cross my mind - what is the actual story behind it what was the relationship between the painter and the people on the painting what were they all thinking and what did their lives look like... In this book we are able to enter this world where we see a story of what might have happened here and this story is a wonderful experience. **Book girl with a pearl earring** Even though quite young Griet quickly knows her tasks to iron to cook to grab groceries from the market and the most important bit - to stay out of everyone's way and do her job. **Girl with a pearl earring book summary** "Her words surprised me but when I looked in her eyes and saw there the hunger for meat that a butcher's son could provide I understood why she had set aside her pride. **Book girl with a pearl earring** I have read the 20th Anniversary Edition of this amazing book which was kindly sent to me by the publishers The Borough Press and Love Reading UK in exchange for my honest review. **Girl with a pearl earring line drawing** Blog | Facebook | Twitter | Instagram | Pinterest 233 Girl with a Pearl Earring by Tracy Chevalier was an interesting historical fiction concept! It was extremely cleverly how the author created Griet as the protagonist maid and model for the famous painting 'Girl with a Pearl Earring'. **Girl with a pearl earring line drawing** Regardless of her feelings she diligently begins performing her assigned duties of boiling scrubbing wringing hanging and ironing the unmanageable heaps of laundry from this large and growing family. **Girl with a pearl earring book characters** While the enormous pots of water are set on the fire to boil to begin the tedious laundering process Griet often gets an early start on other assigned duties so no time is wasted during her long and exhausting days. **Girl with a pearl earring history** Her dislike transitions to jealousy and mistrust when the maid is asked by the painter to assist him in his studio attic for the process of grinding stones to create the colors for paints he plans to use. **Girl with a pearl earring laundry art** There seems to be an unspoken language understanding and respect that develop between the painter and his maid concerning how they see light color and the use of balance necessary for a finished painting. **Girl with a pearl earring by Vermeer** This is a masterpiece I will continue to savor forever! 233 I CAN'T SHOUT MEH! LOUD ENOUGH!!! The popular fame obtained by this book and its subsequent movie version starring Scarlett Johansson. **Girl with a pearl earring book club questions** I read through to the end expecting something bigger to happen the whole way but even though it never did I did still manage to get through it all so there's something to be said for that. **Girl with a pearl earring cast list** It is quite literally referring to the detailed descriptions of how paint was made in the days before those fancy metal tubes replaced pig bladders as the paint-storing vessels of choice. **Nonfiction book girl with a pearl earring** I understand that the first-person voice is a limited perspective by its nature and I would write it off as just that if the peripheral characters were the only flat archetypes but even the narrator doesn't carry any convincing weight. **Girl with a pearl earring book genre** Not giving characters any real motivations not making them behave and interact believably and generally preferring to tell rather than show all contributed to making this whole book feel sloppy underdeveloped and rushed. **Girl with a pearl earring book characters** I say mostly painless because there are some groan-worthy lines showcased here: While more pages would have maybe benefited the plot there is nothing -- save for a control-freak editor -- that could have improved the prose itself. **Girl with a pearl earring in the news** It didn't take me long to get violently annoyed by the author's fondness for

hitting the reader over the head with the most obvious attempts at subtle foreshadowing by way of forcing too much weight on these flimsy laughably ominous one-sentence paragraphs. **Girl with a pearl earring book analysis** Among them: Griet saying things like I always regretted that decision to indicate that she's looking back on a time that is very clearly written as the present; not one character shows any development throughout the novel; sixteen-year-old Griet the daughter of a tile painter somehow knows more about painting and composition than Vermeer a professional artist who actually managed to garner some fame during his living years. **Girl with a pearl earring interpretation** Even when the book pissed me off (which was often) I will admit that I never found Griet herself to be irritating (maybe because I kept fantasizing about Scarlett Johansson to save my brain from oozing through my ears?) -- but I was irked at how it felt like Chevalier was Mary Sue-ing her way through the character. **Girl with a pearl earring for sale** The way that every man whom Griet encountered in the whole! damn! book! fawned over and flirted with her the way she was presented as being uneducated but naturally clever just because she sometimes spoke her mind and separated her chopped veggies by color the way Griet's family was painted as these simple sheltered little Protestants who knew nothing of the world around them. **Girl with a pearl earring laundry art** I now know that I have a limited tolerance for the number of trite comparisons of faces and voices to household objects that I encounter in one novel all thanks to the time I spent reading this book. **Girl with a pearl earring book pdf 5 Stars!**Griet had not been told that she is to become the painter Vermeer's maid her mother only revealing the job to her after the Vermeer's had already been inspected Griet and left. **Girl with a pearl earring laundry art** Griet becomes used to this new way of life and it is not until Maertge the eldest daughter tells her that she is going to be moved from the attic where she mixes the paints back to the cellar that she realises what she will be missing. **Girl with a pearl earring book** Years of hauling water wringing out clothes scrubbing floors emptying chamberpots with no chance of beauty or colour or light in my life stretched before me like a landscape of flat land where a long way off the sea is visible but can never be reached. **Girl with a pearl earring for sale** But will this tension result in action? And if the two do engage in a clandestine affair where does that leave Griet? What hope is there for her? She is placed in an impossible situation with no positive outcome in sight. **Girl with pearl earring audiobook** She sways back and forth like a ship in a storm one minute reminded of her humble life while working on the household tasks then a completely different world mixing colours and helping Vermeer with his painting. **Book girl with a pearl earring** Griet's place in the Vermeer household is never secure she seems to be always teetering of the verge of being thrown out with Vermeer himself the only tether keeping her safe. **Girl with a pearl earring book club questions** How is Griet going to get herself out of this situation and is she more than just the naïve country maid that everybody thinks she is? This was a reread for me and it has lost nothing in the years since I read it. **Girl with a pearl earring ppt** Not much is known about Vermeer during these years so Chevalier had a great deal of license to play around with and she has done a wonderful job creating a believable and enjoyable novel: He is used to getting what he wants and when he sees the wide eyed beauty who has just joined Vermeer's household he decides he wants her, **Book girl with a pearl earring** Vermeer has found from the very beginning that Griet is different: **Book girl with a pearl earring** He finds reasons to have her help him by grinding paints and assisting with the objects that populate his paintings, **Girl with a pearl earring laundry art** It is only natural that a young girl would start to have feelings and dreams regarding a man such as Vermeer, **Girl with a pearl earring line drawing** He is not only talented.

She is hung over the staircase with enough light from the window over the door to show off the skill of Vermeer to illuminate: **Girl with a pearl earring book summary** When people walk in the door they are struck as millions over centuries have been struck: **Girl with a pearl earring by vermeer** People who don't know a Vermeer from a Dali have to take a moment to access and appreciate her lustrous beauty: **Girl with a pearl earring by vermeer** From where I sit to read I can see her and occasionally she catches my eye.

Girl was no exception, **Book girl with a pearl earring** The story of the maid Griet in 1600's Delft Holland was amazing in its simple prose and endless emotion: **Girl with a pearl earring genre** Griet is a wonderful protagonist taking you into her world yet retaining a few secrets for herself especially where Vermeer is concerned. **Nonfiction book girl with a pearl earring** Watch the movie by all means (the photography is absolutely incredible) but then read the novel and get the whole story, **Girl with a pearl earring laundry art** 233 Girl with a Pearl Earring Tracy Chevalier Girl with a Pearl Earring is a 1999 historical novel written by Tracy Chevalier, **Girl with a pearl earring style** Set in 17th century Delft Holland the novel was inspired by Delft school painter Johannes Vermeer's painting Girl with a Pearl Earring, **Book girl with a pearl earring** Chevalier presents a fictional account of Vermeer the model and the painting. **Girl with a pearl earring story** The novel was adapted into a 2003 film of the same name and a 2008 play, **Girl with a pearl earring book review** Sixteen-year-old Griet lives with her family in Delft in 1664: **Book girl with a pearl earring** Becoming a maid casts doubt on Griet's respectability because of the bad reputation that maids have for stealing spying and sleeping with their employers. **Book girl with a pearl earring** It is not revealed how much of this reputation is earned. **Book girl with a pearl earring** At the Vermeers she befriends the family's oldest daughter Maertge but is not on good terms with Cornelia one of Vermeer's younger daughters: **Book girl with a pearl earring** Griet lives in a house with her poor

family a blind dad who worked all his life to gather a bit of money for them and a mother that always fought for the family. **Girl with a pearl earring ppt** With their money running low Griet has to go and work as a maid in the house of Vermeer who is a famous painter. **Girl with a pearl earring book pdf** Griet is not treated with respect her family is worried about her the plague kills her sister and the butcher's boy wants to marry her. **Girl with a pearl earring black and white** Griet doesn't feel anything for this boy but having meat on the table every day for her and her family is too big of an advantage to be just thrown away: **Girl with a pearl earring cat** I personally never liked the butcher boy because he knew very well what his advantage was and he kept reminding Griet how she depends on him to feed her family, **Girl with a pearl earring creepy** Vermeer notices Griet's curiosity and gives her tasks around the studio which in the end results in him painting her: **Girl with a pearl earring meaning** Griet gets to be involved in his world learning what he does and working for him in secret while his wife is bearing another child of his: **Girl with a pearl "The clothes soaking in the kitchen went cold the water grey, **Girl with a pearl earring book analysis** Tanneke clattered in the kitchen the girls shouted outside and we behind closed door sat and **Girl with a pearl earring book analysis** Men didn't have the respect towards women as they do now (some of them). **Girl with a pearl earring book analysis** And when Griet finds herself being painted she knows the consequences but as a maid she has no voice to object. **Nonfiction book girl with a pearl earring** While we read about how Griet sees and thinks we will start to love her watch her grow and learn so much, **Book girl with a pearl earring** No one knows who the models were for any of Vermeer's paintings. **Girl with a pearl earring line drawing** So I applaud this author's imaginative use of creating a story around the Master Painter's exquisite painting: **Girl with a pearl earring drawing** Forced by her parents to become a maid to the Vermeer household Griet is saddened to learn of the assignment, **Girl with a pearl earring free download** Hearing the news that she will reside with them and only be allowed to return home to her own family on Sunday's is heart wrenching for her. **Girl with a pearl earring drawing** However Griet's most important duty as a maid in this household is the privilege of cleaning Vermeer's upstairs studio, **Girl with a pearl earring book review** To enter the artist's studio is considered an honor bestowed on few as the painter does not even allow his wife Catharina the freedom to enter: **Girl with a pearl earring book summary** In cleaning the studio Griet is instructed that it is to remain exactly as the artist left it the previous day. **Girl with a pearl earring vermeer** If an item is touched to dust under Who they all have to curry favor with. Van Ruijven. His wealth infuses him with an air of entitlement. She sees the world as a painter sees the world. He averaged only two to three paintings a year. Griet is thrown into this chaotic household. Each year the purse strings get pulled a bit tighter. I preferred to think of him alone in his studio.
