

Winner Take All (John Rain, #3) By Barry Eisler 5 stars\*\*After the thoroughly depressing conclusion of Hard Rain (book 2 in the series) I sincerely hoped that the world would leave John Rain alone and I wouldn't have to hear about him again. **Winner Take All kindle direct** But several new characters showed up to make John's life more interesting.

Previously published as Rain Storm and Choke Point John Rain has disappeared to Brazil to escape the killing business and the enemies encircling him in Japan. **Winner take all example** But the CIA isn't willing to lose its premier natural causes contract killer and they force Rain to take on a high-risk assignment: eliminate a ruthless arms dealer operating in Southeast Asia. **Winner take all example** But first Rain will have to survive the downside: a second assassin zeroing in on the target; the target's consort an alluring and dangerous woman with an agenda of her own; the possibility that the entire mission is nothing but an elaborate setup. **Winner take all politics book** From the gorgeous beaches of Rio to the glitzy casinos of Macau to the gritty back streets of Hong Kong and Kowloon Rain becomes a reluctant player in an international game far deadlier and more insidious than any he has encountered before. **EBook Winner Take all circuits** In his superb thriller series featuring charismatic Japanese-American assassin John Rain author Barry Eisler serves up steamy foreign locales stunning action and enough high-tech weaponry to make for an A-plus boys-and-their-toys read. **Winner takes all nora roberts** How do we as readers gain empathy for a killer? Simple enough join John Rain in his voyage from assassin for hire to conscientious killer (kill bad guys) to wanting to get out of the business. **Winner take all system electoral college** but unwilling to leave his perspective of the world (no worries this transformation takes place across many books more than enough to satiate the most avid genre reader)I devoured these books as I did the others above (more to come as I continue hunting). **Winner takes all quotes** 384 A good fast read that takes us from the beaches of Rio to the casino in Macau with one of the best parts set in the Virginia suburbs of DC featuring one of the most intriguing characters I've read about-John Rain Japanese-American assassin. **Winner take all example** There were a few too many digressions with Rain philosophizing over his life & situation feeling sorry for himself due to the way he is cut off from having a close relationship with a woman. **EPub Winner Take all circuits** But the true skill demonstrated here is how Eisler is able to develop Rain into a sympathetic character one who appreciated good Scotch Whiskey who loves jazz and who is thoughtful and caring in his relationships with women. **Winner Take All epub** The strength is in watching Eisler develop Rain into fully three-dimensional character filling gaps in our knowledge of him and providing insight into his motivations and his life ambitions. **Winner takes all quotes** Most of the time I couldn't follow exactly what was going on but the descriptions help to highlight that kicking ass is HARD! And you have to be in top condition - both physically and mentally - to be able to keep up with all those bad guys who are also amazingly good at what they do. **Winners take all author** He has no family no home and very few friends that he feels he cannot trust because again and again they have given him cause for doubt:I told myself again that I wasn't disappointed that I wasn't even terribly surprised. **Winner takes all quotes** I didn't like his voices for the women - they were a bit too high...almost like a falsetto - and his Portuguese accent was a bit out there but hey you can't have it all. **Winner takes all novel chapter 1** Actiunea il are in prim plan pe John Rain un asasin japonez liber-profesionist asa zis 'hitman' al CIA care primeste misiunea de a-l lichida pe Belghazi un versat dealer de arme inainte ca altii sa o faca. **Winners take all author** Un alt lucru care mi s-a parut interesant este multitudinea de informatii despre luptele corp la corp cum ar fi karate si aici aflam despre pozitia Calaretului de Fier despre lovitura de picior nr. **Winner take all system electoral college** Tot aici am aflat ca sambo este o versiune de lupta ruseasca care poate provoca leziuni atat de grave incat este interzisa in multe competitii de lupte iar Krav Maga este sistemul de auto-aparare inventat si practicat de fortele armate israeliene. **Winner takes all quotes** Luptele corp la corp sunt descrise miscare cu miscare si desi le-am citit pe indelete si m-am straduit sa le inteleg

totusi nu am reusit sa vizualizez exact cum decurgeau aceste scene. **Winner takes all pdf 384**

Financial of course along with the ongoing chimera of moral redemption: **Winner take all allocation of votes** --New York Daily News Includes a note from the author introducing the new edition: **Winner takes all usa** Winner Take All (John Rain #3) I read this as an ebook 8 years ago & reviewed it here: **Winners take all summary** It was out of order & is on its third title so no wonder there is some confusion, **Winners take all author** In my other review I gave it 3 stars & doubted I'd read it again. **Winners take all book review** Rain is a very careful character who is aging a bit & coming to terms with that plus other complications in his life. **Mystery Thrillers Winner Take all society** Kind of a sad guy in many ways since he can't fully trust anyone, **Winner take all politics book** if you like thrillers you should really give these Eisler books a try: **Winners take all book review** 384 All right so I appear to be hunting for a specific character: from Jack Reacher (Lee Child) to Jonathan Quinn (Brett Battles) onto John Rain (Barry Eisler), **Winner takes all quotes** If you've read this review you've read all my John Rain reviews, **Winner takes all quotes** Every novel is top notch provided you share my predilection for this sort of character: **Winner Take All epub reader** HR 384 I'll be honest I bought the book because I knew it wouldn't hold me in a chair all night until I finished reading it. **Winner take all politics book** Unfortunately the conspiracy does not continue in this book so I still don't know and probably won't read another one. **Winners take all book summary** Pages of descriptions of scenery while Rain takes long lonely walks to make sure he is being followed. **Winner take all system electoral college** I skipped most of it and which at least made the pace of the book move a bit faster for me. **The winner take all** \*\*\*Vague spoiler in next paragraph\*\*\* However Eisler has improved his plotting and character skills: **Winners take all book review** He does allow Rain to be weaker so you at least get a sense of underdog on occasion: **Mystery Thrillers Winner Take all book** Instead Rain is overcome gives up and is saved by a friend: **Winner Take All kindle store** Rain does A LOT of internal dialog and it drains the interest out of the plot for me: **Winner Take All kindle direct** 384 Winner Take All is a thriller written by Barry Eisler about fictional character John Rain a paid CIA assassin: **Winner take all definition government** In this book Rain has been hired

to kill (retire) Belghazi an arms dealer. **Winner take all allocation of votes** The reason he has been selected for this assignment is that he specializes in making a murder look like the person died of natural causes: **Winners take all book review** Rain has tracked Belghazi to Macau which is part of China and is sought of setup like Hong Kong. **Author of winner takes all** Rain also has the advantage of fitting in with the locals being the son of an America white women and a Japanese father and inherited he mostly Japanese features, **Winner take all politics book** Further he has enhanced those features to look more Japanese by virtue of plastic surgery: **Book winner take all** Belghazi normally has at least two bodyguards and is traveling with an attractive woman Delilah: **Winners take all summary** It took him a while to blend in with the locals even though he had chosen an area that had a large Japanese population, **Winner take all example** This was difficult because he did not really have background that was similar to others and he had to learn Portuguese the official language of Brazil. **Winner take all network** Another CIA operative Dox had tracked him down for the Agency. **Book winner take all** Rain came face to face with Delilah in a failed attempt to take out Belghazi in his hotel room: **Winner takes all novel** She did not let Belghazi or his bodyguards know of his presence which made him think that she was not who or what she was thought to be, **Winner takes all quotes** There are a lot of twists and turns in the action fiction. **Winner takes all novel** The characters are well developed and I was kept guessing at what would happen next. **Winners take all book pdf** I really enjoyed this book and plan to continue reading the series, **Winners take all book summary** I think this was the second book with Rain in it & I haven't read the first. **Book winner take all** It got old by the end but it was the major theme of the book & the overall hook. **Book winner take all** The paranoia in his life was severe & he did find he could trust one person much to his surprise, **Mystery Thrillers Winner Take all society** I doubt I'll ever want to read it again but it was an enjoyable diversion: **Winners take all summary** Update March2017: Rereading as an audio book (Review Here) as I go through the series in order, **Winners take all book review** Since it is now on its third title I'm not surprised there is some confusion: **EPub Winner Take all** He's a stone cold killer - assassinating someone never ruins his day. **Winners take all book summary** The broken necks are many the martial arts skills thoroughly honed. **Winners take all book summary** I can't get too excited about the story this time around - I drifted off rather when the rationale for the 'hit' was being discussed: **Winners take all author** It's all rather confusing and I think secondary to the real value of reading these books. **Winners take all author** These sections are brilliantly crafted and I found myself wanting to know more and more about this complex man, **Winner Take All kindle direct** There is a lot of martial arts language (none of which I understood) but the action feels real - brutally so: **Winner take all teen titans** I will return to the series because I want - no including several ladies: **Winner take all allocation of votes** John really likes the ladies which makes total sense because to kick ass that hard a man needs truckloads of testosterone, **Winner take all example** Like in previous books the action was exciting with very intricate fight scenes: **Winner Take All epub reader** As expected the cities that John inhabits (Rio Hong Kong and Macau) become almost characters in their own right, **Winner Take allly bank** Eisler definitely has an eye for distilling the essence of a city into words, **Winners take all book review** Even with all these new characters John is still alienated from life surrounded by a terrible longing for the lost chances and the impossibility of his life. **Winner take all system electoral college** John is too honest for regrets but he knows more than most of what this life has cost him: **Book winner take all** I wondered in a detached way whether it was all part of a cosmic punishment for Crazy Jake...Or perhaps for the other things I've done. **Winner take all system electoral college** To be periodically tantalized by the hope of something real something good always knowing at the same time that it was all going to turn to dust: **Winner takes all novel** It would seem amazing that a man who whacks people for a living wants a relationship but more than anything John Rain wants no needs to belong: **Winner take all system electoral college** He was a foreigner in Japan and a foreigner in the US. **Winners take all book summary** I learned long ago not to trust that faith is to life what sticking your chin out is to boxing, **Winner take all allocation of votes** I told myself that it was good to get some further confirmation of the essential accuracy of

my worldview, **Author of winner takes all** John gets lots of tail in this book but he's constantly thinking about Midori. **The winner takes it all piano pdf** Because I didn't know him I just didn't understand the profound effect she had in his life and now I want to re-read the first book: **Winner take all allocation of votes** His pining for her was hopelessly romantic and I confess I shed lots of tears: Midori isn't dead only gone: **Winner Take All kindle cloud** Maybe that's why I find myself thinking of her more often than I should. **Winners take all author** I picture her face and picture the sound of her voice the touch of her hands the feel of her body: **Winner takes all usa** I have no such power of recall for scent but know I would recognize hers in an instant and wish that I could breathe it in even once more before I die: **Book winner take all** I'm actually sad he doesn't narrate any more of the books: **Winner take all book review** The ending was the happiest I've seen in this series but I'm afraid everything will go down the drain in the next book, **The winner take all** I guess we can't have John being too happy! Regardless I can't wait to see happens next, **Winner take all example** 384 O lectura masculina antrenanta plina de actiune in genul romanelor de spionaj a la Ian Fleming, **Winner takes all quotes** Ar fi o carte extraordinara pentru barbatii interesati de asasinate spionaj tehnici de lupta jocuri politice tradari si femei frumoase. **Winner Take All epub file** De-a lungul operatiunii din Macao calea sa se va intersecta cu misterioasa Delilah o spioana care are in sa planurile si metodele ei. **Winners take all author** Daca ea il va trada sau il va ajuta ramane sa aflati citind cartea: **EPub Winner Take all book** Mie mi-a placut romanul am apreciat descrierile vibrante exacte si extrem de vii ale traseului de urmarire a tinteii in special Macao Hong Kong Tokyo ori Sao Paolo. **Winner take all system electoral college** Mi s-a parut simpatic si arsenalul de spion-asasin pus la dispozitie de CIA de care uziteaza personajul principal si aici as mentiona dispozitivul SoldierVision, **Winner take all example** Acesta a fost utilizat pentru prima data in razboiul din Golf si fotografiaza prin pereti interiorul unei incaperi, **EBook Winner Take all states** Alt gadget ar fi ceasul Traser P5900 in care se pot ascunde capsule care sa contina cocktailuri letale. **Winners take all book review** 2 cu rotire spre spate sau din judo - aruncarea de baza denumita kouchigari, **Winner Take All ebooks air** Pe langa multe alte asemanari cu James Bond am regasit si scena de la Casino si jocul de Baccara pe care il joaca impotriva lui Belghazi. **Winner take all book review** La finalul cartii gasim anexat pentru cititori si un mic curs vizand securitatea personala plin de sfaturi utile in ceea ce priveste auto-apararea. **Winner take all book review** Ca incheiere o zicala japoneza care mi s-a parut demna de urmat: Go ni itte wa go ni shitagae ce inseamna: dupa al locului obicei sa te porti si tu in orice bordei, **Winner takes all quotes** Eisler lives in the San Francisco Bay Area and when hes not writing novels blogs about torture civil liberties and the rule of law: **EPub Winner Take all circuits** Eisler lives in the San Francisco Bay Area and when he's not writing novels blogs about torture civil liberties and the rule of law, **Winner take all allocation of votes** from the author's websiteSeries:\* {site\_link} John Rain {site\_link}.

I need to - know what happens to John Rain. 384 \*\*4.Rain Storm has a (very slightly) more positive outlook. I hate it when books are renamed. I am because now I'm listening to the books in order.It was pretty good this time. It helped having the background of the first 2 books. Good twisty adventure he's on too. 384 this is the 250th book I've read this year. From ex military to cleaner to assassin. You'll just have to see for yourself.P.S. There are no discrepancies in Eisler's work. I read Hard Rain and was less than engrossed. But I did want to see how the conspiracy evolved. Eisler is still bogged down in too much metaphoric imagery. However he still missed the point of the underdog. The underdog should win. He should overcome his burdens and triumph. Gives up is the key there. Heroes don't give up Eisler. I'm not a fan of neurotic over thinking in novels. I am a fan of the maxim Show Don't Tell. I skipped a lot of that too.This is the third book in a series that I have read. It is often called the Las Vegas of China. Belghazi is thought to be there to gamble. Rain focuses on how to gain access to subject. Rain was hired by Kanazaki a CIA officer. Kanazaki is a

Japanese-American third generation. He knows Rain and is fully cognizant of his ruthlessness. Rain had been living in Brazil after an assignment in Japan. 384 It was fun contemporary spy/assassin novel. It stood alone well & was pretty good. The lead to it was a bit heavy handed though. This is the third book not second. I hate it when books are renamed. It's hard enough keeping all of them straight. 384 I've got to like John Rain. It probably shouldn't work but it does. The action sequences too are very well written. Mr. Mr. Nishii did a wonderful job portraying John Rain
