This book was AMAZING!!!! I loved it: **Wings of a Dream pdf reader** I was wrong! I was expecting a light simple book but what I got was a book with an interesting plot unique and relatable characters and a very strong spiritual message, **Wings of a Dream Historical fiction** However it wasn't preachy or in your face like a number of books I have read which made it all the more enjoyable. **Wings of a Dream Historical fiction** And of course the time period that it was set in has never failed to captivate me. **Wings of a dreamtonics ;)** Definitely a favorite and I'm looking forward by reading more books by Anne Mateer: **Wings of a dreamur bedroom** The book was well written it is rare to find this level of intelligence found within this time frame: **PDF Wings of a dreambox** From beginning to end there was not a anything out of place, **Wings of a dreamy bull** The characters were well developed with thorough story lines for each, **Historical Fiction Wings of a dreambox** There was not a person that was not needed or some way tied back into the overall story: **PDF Wings of a dream** My favorite part also the part that pulled most at my heart strings was when the baby girl fell to her knees and cried out ma-ma. **Wings of a Dream book** This tied my heart in and made the entire story worth reading: **Historical Fiction Wings of a dreambox** Anne Mateer It's a joy to find a novel set during WWI. **Wings of a Dream pdf reader** In Wings of a Dream main character Rebekah yearns to leave her small town in Oklahoma to see the world: **Wings of a Dream ebook reader** Mix in a match making mother and a young man with the same vision as Rebekah and it is easy to see her point of view, **Wings of a Dream booking** As life so often does Rebekah's journey takes her down a new path. **Wings of a dreamy bull** The novel is largely about her figuring out what she truly desires in life: **Wings of a Dream pdf** I loved the historical details in the novel such as horse and buggy sharing roads with automobiles during this time period. **Book Wings of a dreamer** This is my second Anne Mateer novel and will not be my last, **Book Wings of a dream** My deep gratitude to the author for a complimentary copy of the novel: **PDF Wings of a dreambox** Anne Mateer Set during a time period I know a lot about this story delighted me with it's historical aspects of the end of WWI, **Wings of a dreamy bull** And having the main character share a name with me (same spelling even) was quite fun, **Book Wings of a dreamer** I found myself understanding Rebekah and though some people may have a problem with some thoughts/questions that were repeated over and over it is exactly how my mind works. **Wings of a dreamtaq** The children Ollie James Dan and Janie were so sweet! They started to wrap my heart as well as Rebekah's. **Wings of a dreamtaq** The romance in the story what little there was was tastefully done. **Wings of a dreamtaq** All together this is a story I'll probably want to read again: **Wings of a dream by anne mateer** Anne Mateer PLEASE NOTE: I HAVE RETURNED TO MY GIVEN NAME FOR ALL WRITING AND SOCIAL MEDIA, **Wings of a dreamur bedroom** TO SEE WHAT IM READING THESE DAYS PLEASE FRIEND/FOLLOW DANN MATEER, **Wings of a dreamy bull** THANK YOU!While I have been writing for what feels like my whole life I began seriously studying the craft in 2000. **Book Wings of a dreambox** My first historical novel Wings of a Dream released in September 2011, **Wings of a Dream pdf** I am mostly just a woman trying to live her life in a manner pleasing to the Lord: **PDF Wings of a dream** That involves being a wife to Jeff and a mothe PLEASE NOTE: I HAVE RETURNED TO MY GIVEN NAME FOR ALL WRITING AND SOCIAL MEDIA:

**Wings of a dreamy bull** TO SEE WHAT I'M READING THESE DAYS PLEASE FRIEND/FOLLOW D'ANN MATEER: **Wings of a Dream pdf** THANK YOU!While I have been writing for what feels like my whole life I began seriously studying the craft in 2000, **Wings of a Dream booking** My first historical novel **Wings of a Dream** released in September 2011: **Wings of a Dream ebook** I am mostly just a woman trying to live her life in a manner pleasing to the Lord: **PDF Wings of a dream** That involves being a wife to Jeff and a mother to my three young adult children: **Wings of a dreamtaq** Neither role has come easily but both have stretched me requiring me to press in closer to Jesus. **Wings of a dreamville records** And because of this Jesus has taken an insecure fearful sometimes angry girl and is turning her into a trusting peaceful grace filled woman. **Wings of a Dream Historical fiction meaning** While she waits for the Great War to end and Arthur to return to her so they can pursue all their plans her mother's sister falls ill: **Wings of a Dream pdffiller** Rebekah seizes the opportunity to travel to Texas to care for Aunt Adabelle seeing this chance to be closer to Arthur's training camp as God's approval of her plans: **Wings of a Dream pdf reader** **Wings of a Dream**That was awesome! I loved the whole book: **Wings of a Dream book** I was a little uncertain about the love aspect about it thinking it would be horrible predictable but without giving spoilers it was awesome. **Wings of a Dream booklet** There were two mildly awkward scenes in this book but they were very well handled and realistic without being crude. **Wings of a Dream publishing** I can't wait to read more by this author!2021>> My sister Rose and I read this aloud to one another and it was amazing. **Historical Fiction Wings of a dream** <3 Anne Mateer This book was like a scrumptiously perfect mini cheesecake--the right size sweet but substantial and utterly happy-creating: **Wings of a Dream ebook** :D A very sweet friend sent it to me for Christmas and I read it in a day: **Wings of a dreamy bull** ;)I'm not sure I've cared so much about fictional characters in a while: **PDF Wings of a dream** They really shone in this book! Rebekah was an interesting heroine and while I couldn't relate to her dreams I did relate to her struggle in turning them over to God. **PDF Wings of a dreamer** This book did a good job of portraying just how frightening surrender to God can be but also just how right it is, **Book Wings of a dream** ;) It was also very nice to read about a main character who loves children as much as I do. **Wings of transient dreams genshin** ;) I chuckled everytime Ol' Bob was mentioned and the many adventures of Dan were too delightful: **Wings of a Dream book** (I have a nephew who looks like him so he was my favorite, **Wings of a Dream pdf** ) \*grabs chubby little man and gives him a squeeze\* I thought Ollie was nicely portrayed as a real little girl capable of being respectful one minute or rebellious the next. **Wings of a dream lyrics** James broke my heart with his nightmares (and the well incident) since he's usually such a sunny boy, **Book Wings of a dreambox** And Janie was a sweet one! ;) It was sweet to see how much they loved their Daddy and how much he loved them. **PDF Wings of a dreambox** I know I cried at one point during the book; I think it might have been when he came home, **Wings of a dreamur bedroom** )I haven't read much World War I fiction so that was a bonus. **Wings of a Dream pdffiller** There wasn't too much mushiness or petty miscommunication like I'd usually expect from this storyline. **PDF Wings of a dream** Sure they had their arguments (yay for realism!) but I loved the gradual way their love for each other came about and grew through ordinary life moments: **Wings of a Dream booking** Could hanging up laundry be any cuter?Recommended for discerning readers because of the romantic element a disturbing death and an unhealthy mother/daughter relationship, **Book Wings of a dreamer** There were also a couple awkward situations that while not described in detail may bother some readers, **Wings of a Dream booking** Best quotes: "I know it because the sun comes up every morning no matter what, **Wings of a dreamtopia** I know it because even when death comes we go on living: **Wings of a Dream epub.pub** While she waits for the Great War to end and Arthur to return to her so they can pursue all their plans her mother's sister falls ill. **PDF Wings of a dreambox** Rebekah seizes the opportunity to travel to Texas to care for Aunt Adabelle seeing this chance to be closer to Arthur's training camp as God's approval of her plans: **PDF Wings of a dreamer** I remembered absolutely nothing about what happened in this book or what the ending was: **Wings of a dreamopedia** I don't think I've ever had that experience before and it was neat, **Wings of a Dream booking**

Particularly at the beginning of the book because she comes across as very young warm book to read again: **Wings of a Dream epub.pub** I think if you enjoy Janette Oke or Rachel Fordham's books you ought to check this one out, **Wings of a dreamur bedroom** \*BFCG may (Read the review to see) recommend this book by this author: **Wings of a Dream pdffiller** It does not mean I recommend all the books by this author: **PDF Wings of a dreamer** Anne Mateer Second read Sometimes you must read a book the second time to truly grasp the meaning of the story, **Wings of a Dream ebookers** I'm so thankful I have this one on my shelf! First read I could read this again in a heartbeat, **Standing tall on the wings of my dreams** Anne Mateer wrote this beautifully sweeping me into the story from the first page and kept my interest all the way to the end. **Wings of a Dream booklet** The book starts in 1918 toward the end of the Great War, **Book Wings of a dream** Rebekah Hendricks is seeking a life of adventure and she believes she will find it in dashing Arthur: **Wings of a dreamtaq** When she travels to Texas to care for her aunt who has Spanish influenza things begin to change for Rebekah, **Wings of a dreamore dollywood** She learns that her dreams may be a lot different than what God has in mind and that in Him she must put all her trust for her unknown future: **Wings of a Dream book** Oh I could have used more information about the war I would have loved to hear more about the air show, **Wings of a dreamur bedroom** Rebekah finds herself in care of four children whose Mother is dead and whose Father is overseas, **Wings of a dreamur bedroom** Although at first she merely does her duty by staying with the children until their father returns she soon realizes that she loves them, **PDF Wings of a dreamer** The end! I could have cried it was so effectively written, **Wings of a dreamtaq** It was a focal point but the lessons Rebekah learn are even more important: **Wings of a Dream epub file** I definitely will be reading more by this author! Anne Mateer FTC DISCLOSURE: I was not compensated for my honest review: **Wings of a Dream kindle store** She kept flitting from one beau to another to another never really settling her heart on a particular one until the final pages: **Wings of a Dream booklet** I found it really hard to root for her to love any of them because she'd treated all of them abominably toying with all three men's hearts: **EBook Wings of a dream** Every time she thought her mother or neighbors would disapprove (as they should have) she came up with some excuse for why she was right -- even though she was wrong, **Book Wings of a dreamer** She could have easily moved in with Irene's family and come to baby-sit and housekeep for the children's father: **Wings of a Dream epub file** That would have been a much more moral way for her to behave, **On the wings of dreams** Fourthly the leading lady was incredibly immature for her age, **EPub Wings of a dream** I really struggled to continue to root for her because of her immaturity: **Wings of a dreamy bull** There were several things I enjoyed about this book too which is why it was difficult to settle on a star rating of any sort: **Book Wings of a dream** This was one of those rare times that I liked the first-person POV, **Wings of a dreamur bedroom** Mateer's author voice drew me in right away despite the story being told in the first person, **Book Wings of a dream** This was quite refreshing from the normal two-plus POVs which I also like: **Wings of a dreamy bull** I've not read any other books yet that included this particular strain of flu so I felt like I was learning a lot while also being entertained which was really nice: **Wings of a Dream book** Who wouldn't love reading about the first wave of automobiles?! That was a definite plus for me: **PDF Wings of a dream** Overall this story was adorable and one that many people will enjoy: **Wings of a Dream book** It fell a bit short of the mark for me but I am interested in reading more by this author. Well. . I was not required to post a review. The opinions expressed are my own. The writing style was easy to read yet well done. Nothing that would keep me recommending it to others. My second At Every Turn is available now. But writing is only a piece of my life. My second At Every Turn is available now. But writing is only a piece of my life. At least some of the time. But the Spanish flue epidemic changes everything. I was very pleased with the outcome. I loved how light the romance was to. I loved getting to experience it with her. Oh my babies! <3 Those children were the best. <3 Each was unique sometimes naughty and utterly lovable. (And Will makes me want to cry just thinking about him. I enjoyed learning more about the time period. ;) And the romance guys that romance! I have no complaints. And the rain falls on the crops. And babies are born." "Go on" I whispered. The tortured look in his eyes wrenched my heart.

"Please go" I said again. Altogether this book was just loveliness. But the Spanish flu epidemic changes everything." Series: No a stand-alone. -Rebekah Hendricks age 19 1st person P.O.V. Now on Rebekah. She can be annoying at times. Link to review: <https://booksforchristiangirls.blogspot>. but you know the story was just so splendid. Rebekah must fight off the influenza that is seeking lives. The romance was well-written; clean and sweet. I highly recommend this book for ages 13/14+. This was a cute story a pretty easy read. A few things prevented it from being fabulous for me. Firstly the leading lady changed clothes on the porch. Those are usually off-putting to me but Ms. I liked that there was only one POV character. The children were awesome. The featured Spanish Flu was an intriguing plot choice. Anne Mateer.
