Elegant and sexy girl from Delhi. The first book I found was "Strange Obsession. Apparently the book is about a lesbian relationship. There was nothing you can call a plot here. It was a big pain to read the book further. But for the finish's sake I finished reading the book. I didn't get anything out of the book. It didn't even enhance my vocabulary much. I don't know why I read it. I don't know why you should read it either. Amrita is a young she surrenders to Minx. It just happens abruptly. 9780140178333 My first and last Shobhaa De. Never ever ever again. Ever. Strange Obsession This is a difficult book to rate. I was hooked at the start. 9780140178333 A strange book. May be i expected more from this author. It's a ghastly account of the queer experience in India. 9780140178333 I did not like this book. It kind of bordered between grotesque and cheesy.
