

Sense and Sexuality By Virginia Wade **Senses and sexuality visual experience** Adult 18+ Sense and Sexuality So far this is my FAVORITE naughty Jane Austen Story! I do have Emma still to read but seeing as Sense and Sensibility was always my favorite Austen story to have it modernized and made to be super naughty--well it made it all the more awesome for me! The story was told extremely well and Wade expertly converted a Classic into a Classic Erotica tale to withstand the test of time! Kindle Edition.
