Passions ignite.5 star book for me. I am or completely sure how I feel about this book. She yells at him in an extremely hurtful way. She says many things to him that might be unforgivable.The HEA is seriously in doubt.This is a very erotic story. It's very well written. Beth Massey 2.5 Stars. It is after she overhears the maids gossiping that Mr.Darcy can't get Elizabeth off his mind. He is proactive and she is a recipient. When Viscount Colton was in a scene it just sparkled. The biggest surprise will be Mr. and Mrs. Bennet. Do enjoy because they are something. The novel is long which is wonderful. One of my favorites in the genre. I re-read it a couple times a year. Highly recommended. Beth Massey Earthly DelightsLoved it. Entertaining lusty Funny. A sexy spin on Pride and Prejudice.All in all I had lots of fun reading it. ^^ . I loved the fighting and the depths of Darcy's love.And yet but I will do my best. Since Mr. Some plot threads were more interesting than others for me. And I was. The ribald humor and bawdy scenes were rather Tom Jone-ish. To be clear he did not cheat on Lizzy. Quirky I know but there you go that's me. Darcy was a shining example of patience and constancy. Bennet. Yep Lizzy was her mother as a young woman. That was brilliant. This is the Lydia without the permanent flaws. And this Jane yeah she was something. Not the sequels not the modern interpretations.This is a very very steamy what-if. Just so all the purists know. Just don't.I love it. I loved that Elizabeth retained her faults. I loved that Lydia was a sympathetic character. I am glad her story plays out the way it does. I loved the fact that Mrs. Bennet and his relationship with his children and his wife. Neither are my Darcy or Lizzy. Beth Massey.
