

Why You Really Can Memorize Scripture: Understand and unlock your minds natural ability to memorize long passages By Daniel Morris It was also good to find that some of the things that I had figured out on my own were mentioned in this book! I love memorizing scripture and I am always trying to learn something new to help me do a better job at memorizing. Why You Really Can Memorize Scripture: Understand and unlock your minds natural ability to memorize long passages Good ideas on how to memorize scripture and to make it a priority for continued growth. Why You Really Can Memorize Scripture: Understand and unlock your minds natural ability to memorize long passages Why You Really Can Memorize Scripture is a brief guide to memorizing Scripture using techniques that help store the information in long-term memory rather than short-term memory that is quickly forgotten. So a sequence of ordinary words isn't very unique unless you explore ways to identify unique features of the verse such as a series of pairs.

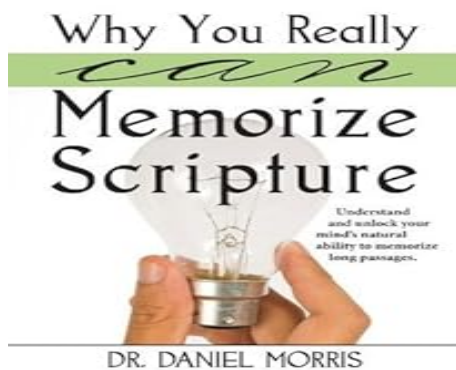

But i now see the folly of such thoughts that had more to do with enemy attacks than pure logic. I did find some tips in the book but mostly it just says that you need to go over the verse(s) every day and set up a time to learn new ones and to review the ones you already learned. I don't remember what it's original price was but I probably wouldn't pay more than a dollar for it the number of commas or phrases or even turning the first letters into a nonsense sentence to help you remember the text. I'm not very much into rote memorization because I retain things better if I absorb them naturally from seeing the verse on the left page of my Bible underlined in blue and referred to often because of a felt need. But if you're one to memorize lots of Scripture or long passages such as entire chapters or entire books of the Bible then you might find some useful tips in Why You Really Can Memorize Scripture. Why You Really Can Memorize Scripture: Understand and unlock your minds natural ability to memorize long passages I think I can memorize scripture well and I think this book was pretty good. Understand and unlock your mind's natural ability to memorize long passages Called to be a missionary as a teenager I had a great desire to fulfill God's will but had a great sense of inadequacy for such an extraordinary purpose. shall be like a tree planted by the rivers of water that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper (Psalm 1:3). This book describes what I learned about permanently memorizing scripture and will help you be one of the few who experiences the blessing of meditation in God's Word and the hope that whatsoever he doeth shall prosper. Why You Really Can Memorize Scripture: Understand and unlock your minds natural ability to memorize long passages Very practical guide This is a very practical guide to memorising scripture. Would recommend! Why You Really Can Memorize Scripture: Understand and unlock your minds natural ability to memorize long passages Memorization Techniques Made Simple Loved this book and the author's writing! Looking forward to beginning my 10 minutes a day on memorizing God's Word.
