Whales! Learn Fun Facts for Kids with Amazing Pictures on Whale Evolution Whale Sounds Food Habitat More in this Whales Book for Kids (Animals Mammals)I really enjoyed this book. It's even better when it's short bursts of information that can be read in one sitting, English Good infoThere are several typos throughout the book and cost it a five star rating from me: I like the organization and the photographs as well as the basic information included. I love learning about animals. English
