I absolutely loved the direction it took the story in and I read the ending with happy tears in my eyes as everything came together. **Fantasy Don't Make Me beautiful day** It was truly beautiful and I was left with the most wonderful feeling ever!!! ## Don't Make Me Beautiful kindle book

Just watched Me Before You now I can't stop picturing MC as Emilia Clarke! <3 Interesting title? Check. **Don't Make Me beautifuller** On top of that this author's note! A really long time ago I read an article in a newspaper or a magazine (I haven't been able to locate the original) about a woman who was so badly beaten over a long period of time she couldn't leave her house. **EPub Don't Make Me beautiful day** I thought about that woman a lot over the years and about what her thoughts might have been her fears her reality ... and this book was my attempt to both exorcise those thoughts from my brain and also shed some light on a subject —domestic violence— that I feel should never be left in darkness. **Book Don't Make Me beautiful disaster** Elle gives us a beautiful love story about new beginnings moving forward learning to trust again and believing that despite the many monsters in this world there are still some knights in shining armour waiting to catch us when we fall. **Fantasy Don't Make Me beautiful day** This review took me a while to write it was hard because I didn't know how I could do justice to a book that touches on such a difficult subject matter yet isn't all doom and gloom and unbearably dark. **Fantasy Don't Make Me beautiful gif** It was hard because I didn't know how I could explain how very real the author makes the story feel how her writing flows so effortlessly that she was able to bring Nicole's character to life. **Don't Make Me beautifulkjv** It was hard because it's a book that gives the reader a very raw insight into the life of a woman who has been beaten and broken both physically and emotionally over and over again. **Don't Make Me beautifulkjv** Yet the author wrote it in a way that turned a heartbreaking story into a story of hope a story about learning to trust again and moving on after some heartbreaking goodbyes. **Fantasy Don't Make Me beautifully** It was a story the author tells us which was inspired by true events about a woman who decides to make a stand to trust in others and let herself be saved and despite some reviewers feeling it wasn't always a believable story that surely no victim of abuse would react the way Nicole did. **Book Don't Make Me beautifully well** for me I never questioned it's believability for me it was very real because I was one of the lucky ones and like Nicole I was saved by my very own real life 'Brian' for whom everyday I am truly thankful. **Don't Make Me Beautiful epubor** Then her world is irrevocably changed forever when her superhero Brian Jensen's baseball breaks her window and forever changes her life as she knew it by culminating events that ultimately bring them together. **Book Don't Make Me beautiful day** He stood by her through thick and thin and I couldn't adore him more for it! Brian is a single dad who is raising his son with the help of his ex-wife whom he is still best friends with. **Don't Make Me beautifulkjv** 9781939455123 [Book Basics] Genre: - Contemporary Romance Series: - Stand Alone Love triangle? - No Cheating? - No HEA? - Yes Would I read more by this author? - Maybe Rating - 2 [Review] At first this started off well even though I am not a fan of present tense. **Don't Make Me beautifully lyrics** He makes her a huge part of his life brings her into his home after a matter of days a home he shares with his young son yet he lives just around the corner from her abuser and the only contact Nicole had had with anyone other than her abusive boyfriend in years was with Brian and his son and the very next day she is saved. **Book Don't Make Me beautiful day** And

Brian thinks that her abuser is not going to be suspicious about who exactly saved her and where she could be? Nicole is in hospital in ITU with supposedly one of the worst cases of abuse the doctors have ever seen. **Don't Make Me beautifuller** Yet after a day some woman is barging in all ITU care is expensive it needs to be paid for Now I do not claim to have a knowledge of the US health system or exactly how it works - but that is not right surely. **EPub Don't Make Me beautiful disaster** What would they have done if Brian was not there pretending to be her brother? Chucked her out? So she gets discharged even though her injuries are pretty terrible but she has no insurance but apparently she can have some rehab as an outpatient (which never happens) No support is offered no links to appropriate charities help etc. **Book Don't Make Me beautiful disaster** At some point her abuser finds her they both end up back in hospital and she is all of a sudden waiting on the DA to make a decision as to if she should be charged with a crime - luckily she does not get charged with a crime that could lead to jail time but a lesser charge. **Don't Make Me Beautiful fantasy baseball** Now again not an expert on US law but I find it really hard to believe given her situation and history and given the donations flooding in for her and the public sympathy she was getting at this point that anyone would even think she should be charged with anything. **Book Don't Make Me beautiful by john** The police seemingly cannot do anything even though they were at the house along with the ambulance when she is rescued know full well the state she was in who's house she was found in but seem to be completely powerless to even find the bloke let alone question him. **Don't Make Me Beautiful ebook free** I just got the impression given how quick it all happened and the insta love thing that she would have fallen in love with whoever rescued her and Brian just has the need to be the hero and save her. **Fantasy Don't Make Me beautiful gif** And then one day out of the blue the autographed baseball caught by Brian Jensen at the latest Marlins game enters her prison and manages to turn her world completely upside down. **Book Don't Make Me beautiful** Does she dare to believe the things she's told that this is not the life she was meant to live? That being a monster is not her forever-fate? And will she be willing to risk everything to reach out and accept the helping hands around her and share her deepest darkest secrets? She knows only too well that hands can hurt. **Don't Make Me Beautiful ebooks** A note from Elle about this book: A really long time ago I read an article in a newspaper or a magazine (I haven't been able to locate the original) about a woman who was so badly beaten over a long period of time she couldn't leave her house. **Fantasy Don't Make Me beautiful disaster** I thought about that woman a lot over the years and about what her thoughts might have been her fears her reality ... and this book was my attempt to both exorcise those thoughts from my brain and also shed some light on a subject —domestic violence— that I feel should never be left in darkness. **Don't Make Me beautifulknit** Domestic violence is an issue all of us should be sensitive about and when films are made or books are written about it I appreciate the effort; that is why I read this book but it didn't make sense at all. **Book Don't Make Me beautiful disaster** There is this girl Nicole who chose a wrong person as a boyfriend at the age of 19 and has been abused both beaten and raped by him in his house where he kept her locked and as a prisoner for three years. **Don't Make Me beautifullest** And the sadistic boyfriend keeps a photo of her from the times when she was beautiful and every now and then he forces her to look in the mirror and then at the photo and compare herself with it. **Book Don't Make Me beautiful women** So have you pictured her now? Well then one day by accident a neighbor and his 6-year old son discover the existence of this girl and the boy's father rescues her from that house. **Don't Make Me Beautiful epub** I just had a hard time to believe this! If there is going to be some romance in a book like this you don't have to start it a week after she was saved from that abusing monster. **Don't Make Me beautifuller** Well did they do all these logical things? NOOOO! Of course not! - First of all she refused to report to the police and they all accepted her decision! - She didn't want therapy because she didn't want to talk about the terrifying things she endured and they also accepted it. **Book Don't Make Me beautiful disaster** Come on take her to a god damn dentist at least! She doesn't have teeth! And if she is afraid that the police will not help her you should also try to make her see that this is absolute nonsense. **EPub Don't Make Me beautiful book** But no they don't report him to the police and the man follows them and of course kidnaps her

again! Yes why not? If you are so stupid this is what would happen! Also this girl looks awful and ugly (this is what the book says not me) and she needs to have a lot of plastic surgeries to gain her previous appearance back. **Don't Make Me Beautiful pdf filler** So she doesn't want to attract any attention anymore! So what happens when she says "Don't make me beautiful"? The surgeon says "OK however you wish" again and he doesn't make her beautiful!!! Come on she cannot think healthily because she didn't have therapy so she thinks being beautiful is a curse whereas in reality the reason was the fact that she unfortunately met someone who was a psycho! So in this state of mind you cannot operate her. **Don't Make Me Beautiful ebooks free** I was totally going insane reading all those pages! Oh at the very end of the book when everything comes to a kind of resolution marriage and child issues all done she decides that she can now start therapy. **Fantasy Don't Make Me beautiful disaster** 9781939455123 First here's my casting for Brian:\*\*\* FULL REVIEW NOW POSTED \*\*\*WOW!! I absolutely loved this book!!! 5 stars! Don't Make Me Beautiful is a deeply touching beautiful and inspiring story with a powerful message about the strength of survival and the healing power of love. **Fantasy Don't Make Me beautiful women** This is easily one of my favorites of the year! I first fell in love with Elle Casey's writing with her witty romantic comedy Shine Not Burn and when I learned that she'd released a new more serious romance I couldn't wait to try out another side of her writing and let me tell you -- I was blown away!! The story is that of a brutally abused woman Nicole whose face has been horribly disfigured after years of beatings at the hands of a man she once thought she loved. **Don't Make Me Beautiful pdf** Things may not have worked out with his ex-wife but they remained good friends and his focus is on living in the moment and hoping that maybe one day if it's meant to be the right person will come along who can complete his family. **PDF Don't Make Me beautifully** When fate crosses his paths with Nicole's he rescues her takes her to the hospital under a fake name and offers to take her home with him to give her a safe place to heal. **Book Don't Make Me beautiful disaster** Remember that this is a romance but given Nicole's situation and everything she'd been through that side of the story understandably was slow building for the first while allowing time for healing first. **PDF Don't Make Me beautiful** But this wasn't just about healing every single one of the supporting characters was wonderful -- especially Helen (the ex-wife) Agnes (the next-door neighbour) and Liam (Brian's adorable son). **Book Don't Make Me beautiful by john** Nicole is a woman who is trapped in a physically and mentally abusive relationship; one that has not only crippled her integrity but has dramatically deformed her physical appearance to the point where people see her as a monster. **Don't Make Me beautifully** Yes this plot resembles Sleeping With the Enemy in the way the heroine runs from an abusive situation but it's aftermath subtly displayed the charm and gratification of a fairy tale. **Don't Make Me beautifully you** I feel this story does a wonderful job in getting across the healthy ways to face and handle such a serious and heartbreaking circumstance and offers a very lovely and positive message of seeing the beauty within. **Don't Make Me Beautiful fantasy baseball** A lot of people who read this have issues with Nicole staying in an abusive relationship for 3 years or have issues with her refusal to go to the police after the beating that nearly took her life. **Fantasy Don't Make Me beautiful women** It only took five days for her to go from invisible woman living in a house around the corner to the center of his universe Despite the subject matter I wouldn't call Don't Make Me Beautiful a difficult book to read and it's not really steamy. **Don't Make Me Beautiful kindle store** An ARC was provided in exchange for an honest review For more reviews please visit Jacqueline's Reads 9781939455123

## Book Don't Make Me beautiful again

This was also about a woman taking charge of her life once again after it had been stolen from her. **Don't Make Me beautiful** Seeing the strength that Brian helped her find again and then the rest of the strength that she found on her own was truly inspiring. **Book Don't Make Me beautiful lyrics** This might sound odd to say because it so rarely happens in books but I actually also really

loved the relationship that Brian had with his ex-wife, **Book Don't Make Me beautiful women** It was so nice to see a divorced couple in a book who weren't at each other's throats and who genuinely supported each other and wanted each other to be happy: **Fantasy Don't Make Me beautiful disaster** Another thing that I really loved about this book was that I absolutely respected and understood every decision each character made, **Don't Make Me beautifulkjv** Never once did I roll my eyes or want to shake anyone: **Fantasy Don't Make Me beautiful chords** To me that speaks volumes for the strength of the story itself that it's able to be this captivating without any unnecessary drama, **Book Don't Make Me beautiful women** 9781939455123 Don't make me beautiful is the story of Nicole: **Don't Make Me Beautiful fantasy baseball** Nicole is trapped in an abusive relationship her boyfriend has beaten and tortured her to the point where she no longer recognises herself in the mirror, **Don't Make Me beautifully** She can no longer see a way out and has resigned herself to always being trapped always being a prisoner. **Book Don't Make Me beautiful disaster** She has continuously been broken down and along the way she has lost so much more than just herself. **Book Don't Make Me beautiful day** Until one day a little boy hits a ball and breaks her window and this simple act brings Brian into her life: **Don't Make Me Beautiful book review** Now I don't want to give too much more of the story away but what Elle Casey gives the reader in this book isn't simply a story about domestic violence. **Fantasy Don't Make Me beautiful gif** It's not simply a book about the victim of abuse it's so much more than that. **Don't Make Me beautifuller** 9781939455123 ☐☐☐☐ 5 Beautifully Damaged Stars ☐☐☐☐ She stares out the window as the late afternoon sun tries to make it's way through the window: **Don't Make Me beautifully lyrics** Those gauzy curtains would make it almost impossible for her to see what's going on inside her house if she were ever standing on the lawn or the sidewalk looking in, **Don't Make Me Beautiful fantasy** Don't Make Me Beautiful by Elle Casey was beautiful touching inspiring heart-breaking motivational romantic and everything else that you could possible want in a book: **Don't Make Me Beautiful book review** It has a wonderful message about inner beauty and the strength of survival as well as the healing powers of love. **Don't Make Me Beautiful fantasy** This book touched my heart and it will stay with me for a long time to come. **Fantasy Don't Make Me beautiful women** There would be no happy ending to this little story. **Book Don't Make Me beautiful lyrics** Nicole No one knew a woman lived there or that she even existed: **Book Don't Make Me beautiful disaster** She's just 25 years old but hasn't stepped foot outside in almost 3 years: **EBook Don't Make Me beautiful day** Her face is so terribly disfigured from having the bones in her face broken repeatedly by The Monster: **Fantasy Don't Make Me beautiful disaster** Nicole feels that her life is over she has no hope and she wants to die: **Don't Make Me Beautiful pdfescape** She could see one of the neighbor's poolsout the back window, **Don't Make Me beautifulkjv** She dreamed of going over anddrowning herself in it many times but then she'd look down at Kitten's spot in the yard and know thatshe couldn't, **Don't Make Me beautifully** Then she'd be leaving Kitten behind and that never seemed right: **Don't Make Me beautifulkitty** Brian oh how I loved Brian! More suspense?Tbh I just feel like the author bit off more than she could chew with this storyline, **Don't Make Me beautifully lyrics** If you want to write it you have to be able to really write it: **Fantasy Don't Make Me beautiful gif** Brian especially it all felt a bit too perfect and false far far too quick, **Don't Make Me beautifulkjv** I did like the last couple of chapters and was pleased for the HEA. **Book Don't Make Me beautiful** As if 5 years down the line she no longer needs saving or helped and he is not needed in that way - then they will struggle being together: **Fantasy Don't Make Me beautiful gif** 9781939455123 Librarian Note: Alternate Cover Edition for ASIN: B00EZ5R78O. **Fantasy Don't Make Me beautiful women** NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR ELLE CASEY brings readers the romantic suspense novel DON'T MAKE ME BEAUTIFUL: **Fantasy Don't Make Me beautifully** If you liked the movie Sleeping With the Enemy then you might like this story too. **Book Don't Make Me beautiful by john** No one knew a woman lived there or that she even existed: **Fantasy Don't Make Me beautiful gif** Temptation comes in the form of pity at first and then perhaps something more. **Don't Make Me Beautiful booklet** Finding out whether they can also heal is a risky proposition especially when the beast is still out there: **Book Don't Make Me beautiful disaster** Having grown up in a home where there was domestic violence I have a pretty good idea what it feels like and many things in this book sounded so wrong to me: **Don't Make Me Beautiful pdfescape** Before telling you my problems about this book let me describe the severe condition of the abused girl, **Book Don't Make Me beautiful day** But from now on my review may contain spoilers and if you are going to read this book no matter what then don't read my review, **Don't Make Me beautifulkjv** As a result of years of physical and emotional abuse as well as psychological pressure her brain is washed and she believes that she has no way to escape: **PDF Don't Make Me beautiful** Believing there is no hope for her she has stopped trying to escape: **Don't Make Me**

**Beautiful pdf book** She doesn't even try to break a window and cry for help when he is not at home: **Don't Make Me Beautiful fantasy** She has tried only once and when she failed she never tried again, **EPub Don't Make Me beautiful disaster** She is beaten continuously and more than 20 bones were broken in her body and because she was never hospitalized the bones healed themselves irregularly. **Don't Make Me Beautiful fantasy** And after repeated blows on her face her nose jaw and cheekbones also lost their natural shapes. **Book Don't Make Me beautiful again** Her ears are damaged and with her damaged and bent face she looks like a monster, **Don't Make Me beautifulkjv** She also got pregnant and gave the child an early birth after being beaten brutally in the abdomen and the child died as soon as she was born or so she was told. **EPub Don't Make Me beautiful women** The man who rescued her is a handsome man who is thoughtful loving and tender, **Don't Make Me Beautiful book review** He is willing to help her until she is safe from that evil man. **Book Don't Make Me beautiful by john** But yes there is a big but here...Her face is described as a monster's face so very ugly that when his child first saw her he ran away in fear, **Don't Make Me Beautiful fantasy** But this good man who thinks beauty is inside not outside falls in love with her. **Fantasy Don't Make Me beautiful gif** And she also finds him very attractive and she falls for him too: **Fantasy Don't Make Me beautiful gif** Even her broken bones are not healed yet let alone her psychology. **Don't Make Me Beautiful epub** Such an insta-love that doesn't feel right or probable here!And the sex: **Book Don't Make Me beautiful** Gah! She was continuously beaten and raped by that boyfriend which requires a serious amount of therapy to heal but this girl falls for him immediately, **Don't Make Me Beautiful ebooks free** And after she believes that he really wants her she literally jumps on him getting naked in an instant . **Fantasy Don't Make Me beautiful day** sooo eager!!!It was neither emotional nor hot for me I just felt utterly disturbed by the untimely and unrealistic sex scenes in this book. **Book Don't Make Me beautiful** A week with a handsome and gentle stranger cannot make you heal like that all of a sudden, **Don't Make Me Beautiful ebookee** In a situation like this there are a few things that must be done: **Don't Make Me Beautiful kindle reader** - Letting the police know about it so that the man can be arrested is the first thing you should do: **Don't Make Me Beautiful fantasy 5** - Then the woman should first be healed physically and then she should take the necessary amount of therapy. **Don't Make Me Beautiful fantasypros** - And meanwhile she needs people who take care of her not trying to have sex with her before her broken bones are healed. **EBook Don't Make Me beautiful again** WTF?Come on no person with psychological problems go to a therapist cheerfully and willingly you should make them believe that they seriously need it to heal and to survive: **Fantasy Don't Make Me beautifully** She also wanted to get out of the hospital before she was completely healed and he did as she wished. **Book Don't Make Me beautiful disaster** Another absurdity happens there! Minutes before the operation (yes minutes before the operation) she tells the doctor she doesn't want to look like the way she did in her photo: **Don't Make Me Beautiful ebook free** And she says she doesn't want to be beautiful anymore! When the surgeon says he can put her face back to its original shape she refuses it, **Don't Make Me Beautiful book cover** Her reason is she believes that she had to endure all that abuse because she was beautiful. **Book Don't Make Me beautiful by john** She believes that her boyfriend got jealous of her because other people also found her beautiful (not because he was a psycho!). **PDF Don't Make Me beautiful lyrics** You cannot accept her wish as a sane and healthy decision when her wish is so absurd: **Book Don't Make Me beautifully** Let her heal psychologically first and then ask her again how to do the operation. **EBook Don't Make Me beautiful by john** Psychologically unhealthy people cannot make the right decisions for themselves. **Book Don't Make Me beautiful again** Oh really?! OK so I am furious because this book had such good potential with a plot like this but all these absurdities made me go crazy, **Don't Make Me beautifulkjv** Also even when there was no absurdity even the scenes of abuse made me feel nothing because of the way it was written: **Don't Make Me Beautiful fantasy 5** I should have cried ugly but I didn't feel much which was strange. **Don't Make Me Beautiful fantasypros** Lesser amount of abuse in other books made me cry so hard but here. **Book Don't Make Me beautiful by john** My 2 stars are for only dealing with a plot like domestic violence and

taking the attention of people to this issue not anything else. **Don't Make Me beautifullest** It's both heart breaking and heart warming with a strong heroine a to-die-for hero and a story that will stay with you long after you finish reading. **Book Don't Make Me beautiful by john** It touched my heart deeply and reminded me that there are still superheroes out there everyday who save each other. **Don't Make Me Beautiful fantasy baseball** She was conditioned to never escape and her body had been broken and rebroken more times than she could count. **PDF Don't Make Me beautiful day** Brian is a single dad whose whole world revolves around his son, **Don't Make Me beautifully** He might not know anything about her but he wants to help shelter her and help her give her back the life that was stolen from her: **EPub Don't Make Me beautiful lyrics** " Ok first of all despite the fact that this book might seem dark it's really not. **EBook Don't Make Me beautiful again** The base subject matter is grim but I generally found the story to be very heart warming, **Don't Make Me beautifully lyrics** Because this is inspired by true events it restored some of my faith in humanity and reminded me that there are true super heroes out there living among us each day, **Don't Make Me Beautiful ebook3000** Seeing how happy she used to be and how broken she was now was gut wrenching and I knew I wanted to see her journey to safety and happiness, **Don't Make Me beautifulknit** If only she'd known then what she knows now she would have picked up the nearest weapon and beat John to death the minute she met him, **Don't Make Me Beautiful book** Instead she dated him moved in with him and then became his prisoner, **Fantasy Don't Make Me beautiful gif** The things she suffered at the hands of her boyfriend/abuser were sickening. **Don't Make Me beautifuller** There were no graphic descriptions but just the thought of any human being going through that made my stomach turn. **Book Don't Make Me beautiful disaster** I think a huge part of what added to how chilling it was though was the fact that this was all happening in a normal house in the middle of a suburban neighbourhood. **Don't Make Me beautifuller** And nobody noticed!! She gave up somewhere along the way out of a sense of survival: **Don't Make Me Beautiful fantasy baseball** Brian was just absolutely to-die-for amazing!!! He honestly might be one of the most heroic and truly incredible people I've ever read about, **EPub Don't Make Me beautiful** He was a wonderful dad a supportive ex-husband and just generally the kind of person who just made you feel safe: **Fantasy Don't Make Me beautiful gif** He rescued her saved her sheltered her and helped her heal: **PDF Don't Make Me beautiful women** He went above and beyond because that's just what was in his nature, **Don't Make Me Beautiful fantasy** The world would be a better place with more Brians in it. **Book Don't Make Me beautiful women** Why would you do that for me? I'm just a woman with a destroyed face and body and no where to go? ... No you're not, **Don't Make Me Beautiful fantasy** And if you can love a guy like that then I know it has to be twice the size of a normal one: **Don't Make Me beautifully lyrics** Now we're going to get them back... ## **Don't Make Me beautifulknit**

Deserves to be butt raped in jail.Mysterious cover? Check. But that never happens. She never leaves

the house. Not even at night. Well once she did. But then never again. The aftermath was not worth the brief taste of freedom. She's not foolish enough to even dream otherwise. Life will never be a fairytale for a girl like her. A monster living in darkness. She doesn't even look human anymore. Is waiting for death to set her free. It was such a bright azure so inviting. I loved how sweet Brian was with Nicole. I loved that side of their relationship. You're my heart babe. My heart. Without you I don't know what I'd do. Don't Make Me Beautiful is such an inspiring story. I hope wherever she is laughed swooned hated sighed etc. And I liked the last couple of chapters. But the middle for me was not good. Execution wise - it just was not pulled off for me. Just off you go you have no money. Who seems to have some need to be needed. Here I just felt detached from the 2 main characters. But overall I was not impressed. This story was inspired by true events. A monster living in darkness. At twenty-two Nicole doesn't even look human anymore. The beast made sure of that. So she hides. A monster consigned to a life of fear and solitude. This is all she deserves she is quite sure of that. Looking for her. Content warning: Violence foul language and adult situations. Not meant for younger readers. Don't Make Me Beautiful That book hugely disappointed me. She has one or two teeth only. Pure torture. From then on things started to sound so very wrong to me. This is good. This is good but. Whoever sees her they think she looks awful. She needs a series of plastic surgery. I am sorry but I cannot accept this as reality. You can't say "OK however you wish". She was really a beautiful girl before. zero zilch zip nil nought nothing. I definitely do not recommend this book to anyone. "I'm no superhero." "Tell that to the girl you're rescuing. I was hooked from the first chapter. I felt Nicole's pain isolation and desperation. It wasn't some creepy shack in the middle of nowhere. This was right in plain sight. A true hero in every sense of the word. He was the embodiment of kind caring and protective. When he found her I just felt such strong relief. You're a girl who fell in love with the wrong guy. Your face doesn't matter it's your heart that's important. Beside... you do have somewhere to go. You're going to my place now. you had a few years of your life taken away from you. Lean on me. I'll keep you from falling. But Brian would hear none of it. I need to go back. Bullshit... You are NOT going back there. You're not my keeper. ... You are your own keeper Nicole. I'm just your protector. That just made me melt. I love that he saw right past her scars. I fell in love with them all in their own way. Except people DON'T see her. Brian is a man with a genuine kindness. Lean on me. I'll keep you from falling. consistently doing and saying the all right things . never once faltering as a parent a friend a lover. Love sees inside the person. It doesn't stop at the surface. That stuff is all just window dressing anyway. It says nothing about what you're really getting. ■ Characters: Strong and sweet hero. Abused and emotionally broken heroine. ■ Writing: Raw vivid. Nicole is living with a monster. For the past three years she has endured endless abuse. I am not one of those people. Then at around 35% the story lost me. Here is how I felt. Then all the sudden my car died and I started coasting. Only to have them slow back down again. In the end it fell flat for a few reasons. I didn't love the insta-love connection. I enjoyed this story but didn't love it. 9781939455123 4. She's trapped in her own home and misery. The father of the boy is Brian. I know who I am and I know who he is. WOW is all I got to say. Also there are no flashbacks. Also you FELT for Nicole. YOU. ARE. Don't Make Me Beautiful isn't for everyone.
