

Falls Boys (Hellbent, #1) By Penelope Douglas **Falls boys pdf** 5 stars☐ this is a Hawke Trent slander zone!! feel free to hate on him bcos i do (though i will admit after a day of reflection i don't hate him as much as i originally did. **Falls boys pdf download** I guess I can do some character descriptions though: ARO:☐ Super duper poor☐ Drug dealer☐ Part of a gang☐ Bad girl☐ Has a deeply traumatic past☐ Hella bitter☐ Loves astronomy HAWKE:☐ Super duper rich☐ Virgin☐ Good boy☐ Has no other hobbies except for stalking ppl through cameras (hence the eye emoji)☐ Apparently obsessed w astronomy too.

But I truly believed that Aro and Hawke developed a deep and unbreakable bond during that time. **Falls boys penelope douglas pdf** This plot and the bonds between these characters felt so much like the Fall Away series with some Devil's Night vibes and I am just in awe at Penelope's ability to create such an interesting plot with an all-consuming romance that I can't get away from. **Falls boys quotes** It was so interesting watching all of these characters interact.

The HELLBENT Series—a spin-off to the Fall Away series—is coming! “The kids are growing up—different from their parents but the same in so many ways...” ARO Hawken Trent. **Falls boys hellbent one characters** Their books have been translated into nineteen languages and include The Fall Away Series The Devil's Night Series and the stand alones Misconduct Punk 57 Birthday Girl Credence and Tryst Six Venom. **Falls boys penelope douglas signed** Their books have been translated into nineteen languages and include The Fall Away Series The Devil's Night Series and the stand alones Misconduct Punk 57 Birthday Girl Credence and Tryst Six Venom. **Falls boys quotes** Are the Fall Away kids in any other books or bonus scenes available now? Yep! The Fall Away kids first appear in the epilogue of Aflame and are quite prominent in Next to Never. **Falls boys hellbent one characters** I know I asked a lot of you <3 501 Aro and Hawke two individuals from different worlds whom learn to adapt in each other's lives and become consumed with each other's passion and love. **Falls boys pdf** IT'S WHAT I NEEDED FROM PENELOPE! Because Aro and Hawke are two clothes from different fabrics that blend so well together to make this ideally emotional couple that makes you crave more of their romance and story. **Falls boys penelope douglas** The struggles that Latina women have to go through on a day to day basis when it comes to family is a relatable topic that Pen did a wonderful job at writing in this novel. **Falls boys recensione** The Hellbent Series:Falls Boys ☐ Pirate Girls ☐ Quiet Ones ☐ Night Thieves ☐ Fire Falls ☐ Parade AlleyARC kindly provided by Penelope in exchange for an honest review coming. **Falls boys pdf download** me - well this is awkward ☐ clearly i received a different version of the book because i really enjoyed this ☐look idk about you guys but i'm pretty sure the books i've rated 1 star actually suck. **Falls boys hellbent one characters** like has anyone heard of Bad Cruz by LJ Shen? are you guys really putting fall boys in the same category as THAT book? FOR SHAME!!!i pray for some of you to find some taste. **Falls boys penelope douglas signed** if you want a proper review of the book with the prettiest aesthetic read hala's review who deserves a shoutout for waiting for my slow ass to catch up with her so we could finish the book together ☐i totally understand why a lot of you disliked this yes the plot was messy and all over the place yes i found the writing confusing at times i felt like the world was imagined so intricately but the writing fell through (for the first 50%) because PD didn't spend enough time to set the scene and describe how they moved from one area to another. **Falls boys penelope douglas pdf** i get why people were confused about the winslet storyline/mystery aspect and i only understood that whole thing myself once hala re-explained it to me ☐ the chapters were super long the pacing was a little off for the first half the whole book took place over like 14ish days so it was fast BUT BUT BUT and this is a huge BUT. **Falls boys download**

ita why? because i adored hawke and aro so so so much! we all knew going in this book and the world would follow in the theme of their parents series but with added mystery/urban legends incorporated into the book. **Falls boys pdf** i actually really enjoyed the aesthetic of the pirates and rebels! it did give me s1 riverdale vibes like the small town the rivalry between schools the drug runners/gangs is like jingle jangle and the serpents from the show ☐ but before everyone starts crying like OmG RiVeRdAlE wAs So bAd. **Falls boys quotes** ☐schooler (hawkes ex-gf) - *exists*aro - HAWKE - virgin voyeur ☐ ☐He's self-righteous a little uppity condescending and his playlist could use a serious update but... He's responsible. **Falls boys penelope douglas pdf** ☐hawke before he met aro - hawke after - tommy - 13 y/o daughter of the guy who secretly recorded tatejared having sex and posted it on the internet and currently running with the rebels gangkade - hunters better half. **Falls boy read online** he should've eaten hunter in the wombdylan (tatejareds daughter) to hunter - me to hunter - the plot - jsdhjksdsk not me clowning the plot of the book i adored ☐ i loved that hawke wasn't sexually attracted to aro straight away. **Falls boys hellbent one characters** every time she guided hawke and told him what to say to her ☐ aro hunny you can leave hawke for me! for you aro yes i do the cooking and yes i do the cleaning ☐all aro cared about was being able to provide for her family she didn't care about herself. **Falls boys book** i saw that the biggest complaint of this book was people didn't believe in their love and thought it was dry and maybe i need to go to specsavers and get my eyes checked out again but their relationship progression and sexual attraction is such a good realistic portrayal of high school love in a romance book. **Falls boys pdf** a lot of people are conditioned to believe that every hero needs to be obsessed and worship the room the heroine walks on from page 1 and that's okay we all love a boy-obsessed trope but for this book? we didn't need that. **Falls boys recensione** but having that said it doesn't mean that hawke isn't jealous or possessive he is but he's secure in the knowledge that aro wants him and only him! the boy was a virgin waiting for the one he LOVES so he could be like his parents. **Fall boys unblocked** why should guys always make the first move? CHAPTER 21 EXISTS PEOPLE! hello the angst! the jealousy! the tension! the explosion! aro launching the playstation controller and smashing the tv! inject it into my VEINS!!! ☐You know what? Screw you!" I say tears welling again. **Fall boy song** ☐ - NO CHEMISTRY MY FAT FUCKING BADONKY DONK ASS!!and let's not forget hawke is a virgin who literally gets a panic attack just thinking about having sex with a girl yet with aro she made him forget everything so much so HE TOOK HER VIRGINITY IN THE BACK OF A CAR AFTER HE LITERALLY SAID HE WOULD NEVER HAVE SEX FOR THE FIRST TIME IN A CAR!that's peak romance in my eyes and yes i do have 20/20 vision with my GLASSES ON BITCH! anyways i loved this i'll stand by this book and after a string of 1 star 2 star and dnf's this book made me realize why i love reading so much. **Falls boys pdf** PD's letter at the end of the story? whilst i was reading this book i told hala i feel like PD didn't write this book for the fans they wrote this for themselves and after reading their letter it all made sense. **Fall guys mobile** why was i so adamant about dylankade? I DO NOT CARE LET THAT BRAT HAVE HUNTER AND HIS WANNABE REBEL CRYBABY ASS KSDJKSSD enjoy your BORING ASS COUPLE EVERYONE ☐☐ i'll be in the corner sitting pretty waiting for the SERVE of the decade with tommykade. **Falls boys penelope douglas pdf** " He bites out every word☐ - he hates her for what her father did but he still won't let the rivals have her!!! ☐Kade takes Dylan over the edge plummeting into the water below and going after the girl. **Falls boys book** please be quiet ones so i get it quicker but i think it will be night thieves the 4th book ☐☐☐ 501 Who here ships Dylan and Hunter? I need to know I'm not the only one. **Falls boys quotes** It gave the book that feeling of what it's actually like to be a teenager/new adult stuck in an world of adults while most of new adult authors want to present their characters as mature without including any of the playfulness. **Falls boys pdf download** Tommy? What is this 13 yr old selling drugs? Schuyler? What kind of elitist name is this? Socorro? The only character I liked was Hunter cause he wasn't in this book therefore he had no chance to annoy me by opening his mouth. **Falls boys quotes** Hunter and Kade clearly have a very complicated relationship with each other from all the bonus scenes + how other ppl describe them as total oppsites where Kade has to get all the spotlight while making fun of his twin. **Fall boy song** he didn't achieve his success solely on his own Jared

Madoc their parents all got his foot in the door!! he told Aro "people have it worse than you" "But you're not stuck in this life you know that right?" I tell her wanting to know more about that man in her house. **Falls boys book** i guess this is spoilery but i imagine some people would want to know that Hawke still messes around with her and intends to have sex with her almost half way into the book. **Falls boys quotes** then the "Marauders??" i- it really was just a rip off of Devil's Night just less dark and taboo with Liv's storyline used as Aro's story then Hawke's life and storyline was the Fall Away series. **Falls boys penelope douglas pdf** The side plot with the texts and urban legends? I am still trying to figure out what any of it meant who these people are but he never once talked about it? I know Hawke be getting a lot of hate right now. **Falls boys penelope douglas pdf** Seriously when this book comes out do not wait a second to pick it up! And please make sure you read the author's note at the end! I really appreciated Penelope opening up about their own life and how it relates to Aro's and it made the book that much more special, I love how my name was mentioned in this book just to be misspelled again on the next page: **Fall boys watch documentaries** Miss Dylan Trent versus Sammy Phuong! & Sammy Phoung in her blue GTO are far past the obstruction. **Fall guys mobile** HELLBENT SERIES#1 Falls Boys - 2: **Fall boy song** 25 stars#2 Pirate Girl - tbr#3 Quiet Ones - tbr#4 Night Thieves - tbr#5 Parade Alley - tbr#6 Fire Falls - tbr 501 2, **Falls boys download ita** it only ever reignited when she was violent with people any time she slapped a bitch i was living, **Falls boys book** can you tell i really didn't give a fuck bcos i feel like this review is just as blasé and uninspiring as the book: **Fall boy song** i truly didn't give a fuck about Aro and Hawke as a couple either: **Falls boys penelope douglas** it felt very contradictory too— they weren't supposed to be seen or caught. **Falls boys pdf** but would go to parties.

And why they were there. **Falls boys penelope douglas signed** The family tree and random names from different book series? I'm not even gonna bother getting into that cluster of a mindfuck. **Falls boys penelope douglas signed** I think at some point I resigned to just nodding my head and smiling as if I'm not totally clueless, **Falls boys download ita** They both went through so much and I never felt like there was a dull or slow moment in this book. **Falls boys quotes** I started the Fall Away series back in 2014 and it really felt like coming home while reading this book. **Falls boys book** I loved being back with these characters and seeing our original characters as parents, **Fall boys watch documentaries** And now here he is trying to be the hero by protecting another girl from me. **Falls boys pdf** And he can try to stand between me and my money but he's never had to fight for food, **Fall boys wtf games** Just because I don't have a record honey doesn't mean I'm clean, **Falls boys book** That is until I realize I might've actually gone too far this time. **Fall guys mobile** Down High Street into Quinn's bake shop and I pull her through the entrance to the old speakeasy that everyone forgot was here decades ago. **Falls boys pdf** The door locks the cops circle the building never knowing we're right here and I'm hidden in plain sight indefinitely with someone's who's awful: **Falls boys pdf download** Until one night lost in all of these rooms together I don't see any of those things anymore: **Fall boy song** We have a silly urban legend in Shelburne Falls about mirrors: **Falls boys hellbent one characters** *FALLS BOYS is a standalone New Adult romance suitable for readers 18+. **Falls boys quotes** Reading the Falls Away series first is helpful but not necessary, **Fall boys unblocked** Falls Boys (Hellbent #1)

My gosh Penelope Douglas has outdone herself once again. **Falls boys book** Bringing this sequel to life these characters that we have all been craving for for a long long time is what we have all been waiting for, **Fall boys unblocked** And reminiscing the characters from the Fall Away series was a breath of fresh air: **Fall boys watch documentaries** Page after page you get hooked and there is no going back, **Falls boys recensione** When Hawke and Aro first meet it's during a complicated situation that no one would want to be in. **Falls boys quotes** Due to the circumstances they have to go under hiding for a certain time to prevent future problems of possible jail time or not going to college, **Falls boys download it** With time they both learn each other's ways and start to become addicted with each other: **Falls boys hellbent one characters** Hawke is a very particular character one that I did not see coming, **Falls boys download it** And let me tell you once you start reading more of him there is no turning back with how much you instantly fall for him, **Falls boy read online** Fall for his protectiveness his intelligence his strong headed ways about being intimate with the one and only, **Fall boys unblocked** My gosh he is swoon worthy and scorching hot in balanced ways, **Fall boys unblocked** And the way he thinks about Aro is what melts you more for this man; She's not a bomb, **Falls boys book** Aro on the other hand is this strong fierce character that represents the best of the latino women. **Falls boys book** I am beyond glad that Pen has brought our hispanic culture to this series: **Falls boys hellbent one characters** The way she depicts her as a Latina young lady was absolutely on point, **Falls boys download it** One that made me cry and smile at the same time because I can truly empathize and I am sure more readers such as myself will as well, **Falls boys penelope douglas pdf** To Aro her little brother and sister are everything and she will do just about anything to protect them. **Fall guys mobile** 'I want to crawl inside of you sometimes' I whisper. **Falls boys book** 'Sometimes I want you to be all that I can see and hear. **Fall boys wtf games** So that nothing exists in the world to me but the feel of you, **Falls boys download it** ' Aro and Hawke will forever be one of the best couples Penelope has written. **Falls boys quotes** With that being said I am looking forward to rest of the characters in this series, **Fall boys wtf games** Another set of bad ass heroine's that will make this series a top tier

of my favorites: **Falls boys hellbent one characters** But don't get deceived by my review with Penelope's books there will always be that kink kick to it that we will have to love and embrace: **Falls boys penelope douglas** And even though this book was a little bit lighter than her other novels that we have gotten lately that kink side to it is not missing **wink wink**. **Falls boys pdf** Follow Me On: Instagram ☐ Twitter ☐ Goodreads ☐ Facebook 501 4 stars ☐☐☐☐everyone - 1 star, **Falls boys penelope douglas pdf** it's not a dark book but there is an element of darkness due to the presence of gangs and drug dealers. **Falls boys pdf** um so what? everyone still ate up the show regardless so pipe down, **Falls boys penelope douglas pdf** but it also felt more like the show on my block (gangs) and euphoria (tommy = ashtray), **Fall boys unblocked** ☐ LET'S MEET THE CAST ☐ARO - bad bitch extraordinaire ☐☐So many Mustangs” Aro coos like she’s dying of starvation, **Falls boys penelope douglas pdf** I look over seeing my uncle’s old Boss 302 displayed off to the side, **Falls boys book** He won’t hurt anyone on purpose and he won’t make kids and abandon them. **Fall guys mobile** The other men I’ve met in my life—would-be-fathers and classmates and neighborhood assholes—flash in my mind and none of them are worth a fraction of him. **Fall guys mobile** their connection built up due to their forced proximity and aro opening up slowly and TAKING CHARGE LIKE A TRUE DOMINATRIX QUEEN: **Falls boys pdf download** until hawke who saw through her and broke her walls down, **Fall boys unblocked** there are so many kinds of love and hawke aro had the protective love, **Falls boys penelope douglas pdf** the one where he will put her above everyone else and drop everything to be there for her: **Fall boy song** aro doesn't need someone to baby her she needs someone to just understand and support her, **Falls boys recensione** not every hero needs to be a jealous possessive obsessive controlling CEO DADDY DOM: **Falls boys book** i loved that aro was the one getting jealous and hawke was using it to his advantage to make her jump on him and rile her up, **Fall boys watch documentaries** ””Get in my bed!” he yells and lifts me into his arms: **Fall boy song** My heart drops to my feet as he holds me by the backs of my thighs and I push at his shoulders his mouth inches from mine: **Fall boy song** “Make me blow you so you can compare?””I’m going to kiss you” he says. **Falls boy read online** And he dives in covering my mouth with his and cutting off my breath. **Fall guys mobile** i read to meet characters who may or may not be like me but they show growth and find the happy endings i hope i one day find too, **Falls boys penelope douglas pdf** wtf why did i get so cheesy ☐ ANYWHOOBS i'd like to end on a fun note. **Falls boys pdf** TOMMYKADE!!!!!!!!!!!!!!!!!!!!!! I ACTUALLY WON YOU GUYS LIKE YOU DON'T UNDERSTAND: **Falls boys book** ☐Tommy passes by switching sides and stands with Hugo. **Falls boys pdf** ☐ - he was handcuffed to dylan BUT HE STILL WENT IN TO SAVE TOMMY FROM DROWNING!!!now the wait for their book begins, **Fall boys watch documentaries** How long did most of us wait for this series to take off? Since Next to Never came out which was in January 2017: **Falls boys pdf download** Way too long but I'm not going to complain cause it's finally here! I read it in two sittings which is rare for me, **Falls boys book** Pen sucks me back into their world no matter what they come up with: **Fall boys wtf games** Douglas delivered a mysterious sexy story filled with crime high school rivalry and we got the chance to reconnect with familiar characters from Next to Never, **Falls boys download ita** I'm sure everyone has a specific ship they are rooting for and mine is Dylan and Hunter, **Fall boys wtf games** Right now I'm manifesting a steamy fight between these two which will lead them to sort their shit out, **Fall boys watch documentaries** honestly a really fun one!full spoiler filled thoughts here 501 - 2. **Falls boys book** ” “And what do they say about us?” He slips a hand under my shirt kneading my breast, **Fall boys watch documentaries** ””I’ve been waiting YEARS for this series to start just to be let down by another 2nd gen spin off series, **Fall boys watch documentaries** Why did he still mess around with his ex-girlfriend halfway through this book is beyond me: **Falls boys book** Aro & Hawke had one or two cute moments (when they were doing Pizza with Aro's siblings ☐) but overall they were so dry forgettable and left me feeling nothing. **Falls boys quotes** it gave me a lot of Devil's Night vibes with the mystery subplot and things this town has like 'Grudge Night' and 'Rivalry Week' and they act like a weird cult. **Falls boys book** ☐ Not even the side characters could save this book since they were all lowkey annoying. **Falls boys penelope douglas signed** The dylanhunter crumbs I was

hoping to get? AHAHAHAHAHAA BYE: **Fall boy song** ☐The most intriguing part of this book for me was Hawke's observation of Kade & Hunter's relationship: **Falls boys recensione** But now that Hunter is gone Kade is very upset and wants his brother back: **Falls boys hellbent one characters** Their relationship development is the one I'm probably looking forward the most cause I just want them to have a good sibling relationship, **Falls boys book** ☐☐☐If you liked Hideaway Devil's Night and Fall Away all rolled into one: **Falls boys hellbent one characters** PD needs to move on from high school romances bcos i think they've exhausted all of their options at this point, **Falls boys penelope douglas pdf** it wasn't unique nor special and had felt like i have read this a thousand times before, **Falls boys penelope douglas pdf** and bcos of that PD really didn't know what they wanted this to be, **Falls boys download ita** nearly five years of waiting for this and it was ultimately forgettable: **Falls boys penelope douglas** Hawk "bro-for-brains" Trent (H)or as i like to think of him as Kim K in her "get up off your ass and work!" era, **Fall boys wtf games** the shit he would think and then say out loud to Aro was truly so ignorant my god. **Falls boys quotes** telling her all she needs to do is find a real job just escape her abuse and poverty try harder: **Fall boys watch documentaries** all bcos his dad did?? Jax was surrounded by privileged people, **Falls boys penelope douglas pdf** Whenever I think it's bad or I'm feeling like shit I remember it can always be worse: **Falls boys hellbent one characters** Dying of disease..."Poverty is no excuse to do the things she or any of her pals do: **Fall boys wtf games** Our town got richer—with people like my father and my uncles succeeding and giving back with jobs and events that brought in revenue—and Weston got poorer: **Falls boys penelope douglas** Only when we're desperate do we dig in and Weston found ways to brace themselves: **Falls boys penelope douglas** rich people saying all poor working class people need to do is just work harder and make better life choices make me want to actually stab a bitch. **Falls boys quotes** it's giving Molly-Mae "everyone has the same 24 hours" bullshit. **Falls boys penelope douglas signed** he just wasn't my cup of tea despite him getting mildly better: **Falls boys book** i could have done without goddamn Schuyler (idk where PD found the name either lmao): **Falls boys recensione** i hated her whole character and her involvement in the story: **Falls boys hellbent one characters** it was gross to read and probably the moment this book died for me lol. **Fall guys mobile** Aro Teresa Marquez (h)aka if Liv and Banks had a baby together it would be her. **Falls boys pdf** not mad about it tho bcos i loved Liv and Banks (probably my fave PD heroines) and i really liked Aro, **Falls boys download ita** but she eventually lost her edge run around town go to the shops and the library visit friends. **Falls boys pdf** it just baffled me? i truly don't know what drove the book forward? like if you were to ask me the plot of the book??!so the result was the entire book felt aimless, **Fall boys wtf games** it was exhausting and so damn boring bcos i couldn't figure out the end goal: **Fall boys watch documentaries** the writing was too choppy to understand wtf was going on. **Falls boys pdf** it was too messy and not refined enough to have the impact i think PD wanted, **Falls boys penelope douglas pdf** the story made zero sense to me and the scene playing out between Hawke and Aro made zero sense to me bcos of the way the entire interaction was written: **Falls boys hellbent one characters** im still excited for the rest of the series but not getting my hopes up that's for sure :/ 501 Omggggg: **Fall boy song** I'm trying to get my thoughts together for a review but I LOVED IT!!!! PD is back again with another fantastic romance. **Falls boys book** Aro and Hawke were amazing together – the good boy/bad girl dynamic was perfection. **Fall boys watch documentaries** I LOVED seeing the original Fall Away gang again this time as parents, **Falls boys penelope douglas pdf** (All the Jared scenes were so funny here??) Falls Boys is an incredible start to a new series that people will definitely enjoy whether or not you've read the original series: **Falls boys recensione** The romance is exciting intense steamy and pretty much everything I expected from a Penelope Douglas book, **Falls boy read online** I already have ideas on who the future couples will be!Full review to come!*****YEEESSSSSSSS I AM READY, **Falls boys penelope douglas pdf** 5 starsI was going to write a proper review with a summary n shit but then I realised I have no idea what the fuck was happening this entire book, **Falls boys download ita** Seriously if you asked me to visually describe a single thing I'd show you a picture of a white screen: **Falls boys hellbent one characters** Boy was privileged boy was ignorant but I

think boy learned so I'm not that mad about it. **Falls boys penelope douglas signed** He differed from the usual toxic man-whore abusive antiheroes I frequently read. **Falls boys penelope douglas signed** He felt uncomfortable being objectified and wanted to have meaningful sex: **Falls boys book** I appreciated the way he and the heroine created a safe space to explore their sexual desires: **Falls boy read online** I think this is the first time I've ever liked a safe consensual relationship in my life (in fiction I promise): **Falls boys hellbent one characters** And I suspect I enjoyed it because I could relate to Hawke on a personal level: **Falls boys pdf download** I understand the deeply uncomfortable feeling of pressure and expectations from partners: **Fall boys wtf games** And their sex scene?? How dare Hawke be such a cutie patootie I cannot with that boy: **Falls boys hellbent one characters** The way Aro was freaking out thinking Hawke was dazed because he regretted having sex with her meanwhile he's debating whether or not she can go again. **Fall guys mobile** "Can we do it again?" Overall Hawke and Aro's relationship development was done fairly well: **Falls boys hellbent one characters** Sensitive men are rarely represented in romance and when they are most of the time they bore me to tears: **Fall boys watch documentaries** They weren't the most groundbreaking characters or anything but I wasn't bored either (at least the first 70%): **Falls boys book** How do I even begin to start this review? I loved every second about this book, **Falls boys book** Penelope Douglas has a way of creating intense stories with intense characters that you literally never want to leave. **Fall guys mobile** From the moment we meet Hawke and Aro I was obsessed with their dynamic: **Fall boy song** They're from opposite worlds and opposite sides of a rivalry. **Falls boys book** Aro has had a hard life and has had to resort to working for some not so great people in order to support her family. **Falls boys quotes** She soon finds herself entangled with Hawke and the people he loves, **Falls boys penelope douglas pdf** Hawke is intrigued by Aro though and isn't willing to let her go so quickly. **Falls boys book** This book doesn't take place over a long time seeing how loyal certain characters were to each other and watching how this plot was going to play out[1]

Then Falls Boys might work for you. Aro and Banks are very similar. P.S. find the mistake. so i will boost the rating a smidge lol).this felt like Tryst Six Venom.

Fall guys mobile

That spark i adored. then the rest of the time i was bored by her. *sighhhhh* idk. the whole book just bored me lol. i thought the premise of the book was very weak. i knew what motivated Aro but not Hawke. So polite. So sweet. Such an upstanding young man. A virgin too I hear. He never gets naughty with a girl. Probably because Jesus told him not to. He calls me a bully. Irrational. Unreasonable. A criminal. He can call me anything he wants I've heard worse. That rich clean school boy doesn't have what it takes. HAWKE I surprised her. You should've seen her face. It just means I'm better at not getting caught. She's there. I'm there. The scene of the crime. It's dark. The police show up. We have no choice. We run. Mean. Rough. Dirty. A thief. A delinquent. She's smart. Daring. Soft. Hot. Everything's changing. It's this place. It does something to people. They're a gateway. Don't lean back into them. But we came through front first. I don't care what the county records say. This was never a speakeasy. It's Carnival Tower. Please look for The Hellbent Series and Motel coming next. Here's what you need to be ready--> <https://bit.ly/3J8PuB32>. This book. Especially with Pen's previous books and their kinky characters. She's patient quiet unyielding and permanent. She withstands. Like steel. Like an ax. And Hawke will do anything in his power to protect her. More specially Dylan's and Tommy's stories. worst PD book ever. no romance dead banter no character development or plot. i'm just clowning ☹☹☹ ps.none of that mattered to me. Ancient but the car is a legend here. Dylan will be racing it tonight. "You like Mustangs?" I walk pulling Tommy. "Love them" Aro sighs. "They're the easiest cars to break into. Honest compassionate smart driven and he pays attention. please this is not that book. it was fucking hot. "I don't want to care! You're a smart guy. Figure out why!"He surges to his feet coming at me. "Get in my bed." "Fuck you." "What are you going to do?" I gasp. i read to escape and be transported into another world. a piece of their soul is in aro. the best note. the only note that matters.Kade glares at her. "Get...your ass...back over here. What I struggled with is putting my thoughts into words. Ahhh!!! I loved the finger flicking scene so much. I can't resist their writing. There's just something there when it comes to these two. There's just no way I got this wrong. Penelope wouldn't mess with me like that. 501 my favorite Pen book in a long time. tone was great romance was great plot wasn't incoherent.25 stars He smiles but it looks bitter. "I should have found you ages ago. Guess they were right about Weston girls. "Not for forever but certainly for fun." Prick. But I laugh it off. "Not as bad as what they say about Falls boys. 'Can pay the bills but can't make you come. ☹I didn't like Aro but I liked Hawke even less. Unfortunately this book didn't work for me because 1. it was boring as hell and 2. Dylan? We don't know her. Kade? I don't know who that man is. so it was completely unoriginal. it was messy. unrefined. exhausting.his privilege was suffocating. "You don't have to do the things you do. Always. There are refugees fleeing wars. People starving. But struggle isn't always a bad thing. They've risen. Disgracefully but still. and every time Aro clapped back i was living. bitch really hit him with reality check after reality check.until Schuyler.kinda undermined the romance. there was no coming back from that. Hawke was just. bleh. i can't even be bothered wasting more energy on him. in the beginning. like the whole "Winslet" scene was just fucking weird. instead of it being edgy sexy and thrilling. it was just cringey as hell. i just cannot articulate how confusing the entire scene was. it was just recycled from their other books. also Dylan was meh.
