Incest Island: Parts 1-3: Charlie And Kendra Weekend In Paradise Pleasures In The Love Lounge Daniella Donati is an English erotica writer with a preference for taboo sexual themes that take the reader to new places of inner erotic exploration as much interested in the psychology of what arouses and excites us as people as in the depiction of characters acting out their sexual desires, He decided to research the consang movement online and to his amazement discovers a tycoon lawyer has made an island resort purely for incestuous adults. When he tells his mom she becomes just as excited and soon they are planning a weekend trip to Incest Island, When they arrive they soon click with an attractive father and daughter couple Ron and Charlotte, It's not long before the liberal atmosphere of the island encourages the two consang couples to get better acquainted. After an incredible night of group sex the two couples continue to spend time together: When they see a sign about incestuous couples performing live on stage in The Love Lounge Charlie wants to put all their names down to perform: He just has to persuade his less confident mother to agree but the sexual spirit of Incest Island soon sways her. But Charlie was keen to meet others out there like them. Warning: explicit sex scenes of a taboo nature..
