Violent Ends (White Monarch #2) The ruling of a kingdom the takedown of dangerous threats along with sacrifices and betrayals are all in a days work when you're a part of the cunning and cutthroat world of one of the most powerful cartels in Mexico. **Our violent ends epub** After barely surviving the cliffhanger in book one I was more than ready to get some answers and see how this new dynamic was going to play out between Natalia and Christiano. **Our violent ends pdf download** I have to say that as much as I enjoyed Christiano in the Violent Delights I fell in love with him in this book!! He gave everything that I was asking for and he never held back when it came to saying what he wanted and going after it. **Violent ends podcast** From the very first chapter he was this force of nature and you wanted nothing more than to be swept up in his aura regardless of the consequences and don't even get me started on the dirty talk!!! As for Natalia she irritated me in this book and I wanted more from her. **Violent ends book summary** I wanted her to be stronger instead of her saying the words but at the same time I feel she's going to give us everything in the final book so I'm keeping my fingers crossed for that. **Violent ends llc** Now let's talk about this cliffhanger shall we?
