Emotions and feelings are beautifully explained.I find this book to be best works of Madhuri. Overall

★★★★ for this wonderful read. No Wedding Bells An absolutely WOW book. This is no less than the other two in the series. So well portrayed characters and so well woven story. Lovers bar ny and valentines day party. No Wedding Bells Oh Such a cute romance. I must say. I have never seen a boy caring like Aryan Bohra. Since then there was no stopping. Not anymore. I don't think so. A tangled web of Love Passion and Responsibility. No Wedding BellsWow just wow. The hero was what dreams are made off. Imagine a guy waiting 6 years for his lady love. I nominate Aryan for the best hero for 2022. I cant get this book of my mind. She is the best. :)She has develop such strong characters- Aryan and Anvi. To be rarely honest I feel in Love with Aryan. I just didn't want this one to end.Must read. Aryan is the epitome of patience persevearance and love. His love for Avni is endless. He understands her and loves her for who she is. He is always ready to do anything for her. I loved the main characters Aryan and Avni a lot. I will love you every moment across time. While it can be read standalone.
