

Why Has Nobody Told Me This Before?: The No 1 Sunday Times bestseller By Dr Julie Smith

Why has nobody told me this before download

And thank you for raising awareness! Why Has Nobody Told Me This Before?: The No 1 Sunday Times bestseller This was the easiest 5 star review I could write! Over the last few years we have had our challenges but Dr Julie has been by the proverbial side through different forums and the book is the cherry on the top. **Why has nobody told me this before audiobook** My final comment is WHY HASN'T NOBODY TOLD ME THIS BEFORE! Why Has Nobody Told Me This Before?: The No 1 Sunday Times bestseller

after following Dr Julie on social media for the longest time and being a massive fan of her work I knew I HAD to get this book. **Why has nobody told me this before free pdf** Why Has Nobody Told Me This Before?: The No 1 Sunday Times bestseller I discovered Dr Julie Smith on Social Media throughout *that pandemic* and was delighted to buy this book yesterday. **Why has nobody told me this before book pdf** I then have started training to be a therapist myself and I work as a freelance hairdresser so hand in hand this book will fascinate me and help me understand the brain even . **Why has nobody told me this before book pdf** I will leave another review once i've read the book!congratulations on your dream of writing a book it is a symbol of hope that we all have our place in the world and there are good people out there caring and supporting us raising mental health awareness. **Why has nobody told me this before free pdf** My only wish was that Dr Julie and the book were there when I was younger in my darkest times but I am glad she and the book is by my side now when my thoughts started to wonder in a negative zone or feeling low. **Why has nobody told me this before audiobook** Dr Julie comes across as someone an absolute expert in her field with a genuine care informative and designed to be read and picked up when there are certain emotions we are finding difficult to tackle how to recognise short term numbing processes and alleviate the negative thought/emotional biases we encounter when life deals us an unfair hand. **Why has nobody told me this before flipkart** As one who has suffered innumerable setbacks in life with frequent “Why am I so different for feeling so strongly when others seem to ride through life and tell me I’m too over sensitive” thoughts and feelings I’m going to learn to counter them with helpful tools Dr Julie has set out so that I can build “resilience” in future. **Why has nobody told me this before book** Why Has Nobody Told Me This Before?: The No 1 Sunday Times bestseller If you've never read a self help book before or gone to therapy I think this book is a great one to start with. **Why has nobody told me this before kindle** Why Has Nobody Told Me This Before?: The No 1 Sunday Times bestseller The first thing we read about the author in this book (in the dust jacket literally after the book's title) is that Dr Julie Smith is a social media superstar . **Why has nobody told me this before audible** In her social media bites (as she likes to call them) short pieces of advice to cope better with everyday life uploaded to online platforms Julie always looks relaxed happy often enthusiastic. **Why has nobody told me this before audiobook** She reaches a large audience because she's thorough in what she does but also simple in the best sense of the word she knows what's good for the spectator and how to reach him she's indeed and thankfully no “celebrity” blabbing platitudes. **Why has nobody told me this before flipkart** Dr Smith gathers the right skills necessary to succeed in popular science: she's knowledgeable passionate and writes well; and

also she expresses herself very clearly there's no jargon or unnecessary long words for show or to impress her audience. **Why has nobody told me this before audiobook** And at the same time the author's honesty and cautiousness are ever present: she explains (repeatedly) that the text is no magic formula for happiness only a set of tools that consistently applied will help the reader. **Why has nobody told me this before pdf free** Not that the text should be shorter but the spaces the whole pages containing a title the chapter divisions and the pages with one or two paragraphs in massive font are all unnecessary and mere distractions (and a sad waste of paper) and all just to make a longer book perhaps thinking that this will make it interesting or worthier. **Why has nobody told me this before pdf** **Why Has Nobody Told Me This Before?:** The No 1 Sunday Times bestseller Drawing on years of experience as a clinical psychologist online sensation Dr Julie Smith shares all the skills you need to get through life's ups and downs. **Why has nobody told me this before kindle** Written in short bite sized entries you can turn straight to the section you need depending on the challenge you're facing and immediately find the appropriate tools to help with , **Why didnt anybody tell me this before.pdf** While reading this book you can feel a sense of warmth around you making you feel that you are not alone or not to be ashamed of our vulnerabilities. **Why has nobody told me this before audiobook** It is our emotions that define us and we should embrace them. **Why has nobody told me this before deutsch** The book guides you in a concise and empathetic manner sitting proudly beside me wherever I am / should I need to refer to it: **Why has nobody told me this before flipkart** It is than a book for me.

Why has nobody told me this before author

The world could really learn a lot from her. **Why has nobody told me this before pdf reddit** The 1st Chapter about low moods honestly made me cry when reading. **Why has nobody told me this before author** I actually feel seen! I thought it was just me who gets these feelings but I am so relieved to learn other do too, **Why has nobody told me this before audible** I am so excited to carry on reading to learn the life skills of dealing with these feelings, **Why has nobody told me this before free pdf** The book is concise.

Why has nobody told me this before free pdf

I starting following Dr Julie during lockdown and found her posts so helpful explaining why I was feeling the way I was feeling, **Why has nobody told me this before book** You can tell how passionate she is and that she actually does care, **Why has nobody told me this before audible** I would go as far to the book is inspiring and life saving I genuinely mean that, **Why has nobody told me this before pdf reddit** Even writing this I am tearful but have a sense of joy knowing that I am not alone and that mental health is no laughing matter or makes me a lesser person. **Why has nobody told me this before book** I am grateful for everything Dr Julie does and will continue to spread her good work to friends and family, **Why has nobody told me this before pdf drive** In my mid 40s I thought I would have it all figured out. **Why has nobody told me this before audiobook** It's not the case at all and I'm reassured this book is going to help me identify where I could help myself better in future, **Why has nobody told me this before flipkart** **Why Has Nobody Told Me This Before?:** The No 1 Sunday Times bestseller I ordered the pocket version of this book and recieved a large brick, **Why has nobody told me this before audiobook** The cover was also just a paper wrapper the book itself was just plain blue, **Why has nobody told me this before kindle** Julie makes you understand that you are not alone in your emotions and has some great tools to help you get started on your journey of self improvement. **Why has nobody told me this before book sale** Truth to be told then the entry carries on introducing Dr Smith as a trained psychologist there's still hope: **Why has nobody told me this before pdf drive** She likes retorting to basic examples using often pieces of fruit and biscuits to explain her theories; cups of grains of rice become large populations: **Why has nobody told me this before free pdf** Sometimes she jumps up and down on

a chair to explain why is OK to be happy or turns the screen into black and white to denote pessimism, **Why has nobody told me this before pdf drive** These snippets have given Dr Smith followers by the millions: **Why has nobody told me this before audiobook** Too much? No because she's good at what she does which is explaining an intricate science (psychology) to the layperson: **Why has nobody told me this before book sale** Even better her advice is always practical not abstract so the viewer will know how to put the advice to work, **Why has nobody told me this before kindle** At the beginning of her book (her first surely not her last) Dr Smith explains that said book contains the further details of her mini clips, **Why has nobody told me this before book pdf** She thought that there was something missing in those short clips due to the format constraints so here it is, **Why has nobody told me this before kindle** Quite a fair point; this book is the elaboration beyond the bites: what she's left behind for clarity and brevity, **Why has nobody told me this before book pdf** And yet again she's nailed it because the book is a worthy piece of counsel and which can be enjoyed with or without the mini videoclips, **Why has nobody told me this before book pdf** Further she's very warm so much that the pages read like long letters written by our favorite cousin: **Why has nobody told me this before audiobook** And so with these foundations the book starts and goes well and then never drags never fails; it never loses the reader's attention, **Why didnt anybody tell me this before.pdf** Dr Smith goes for width rather than depth and this helps: the book feels well balanced: **Why has nobody told me this before author** There're some examples along the pages but Dr Smith never falls for the mistake (tediously common in popular science books) of retorting constantly to examples to fill whole chapters. **Why has nobody told me this before pdf reddit** She does not need that: she knows quite well her trade and is merely willing to share her knowledge and experiences with the reader. **Why has nobody told me this before book pdf** And yet again in the clearest of ways perhaps at some points treading dangerously (but never falling) for a too simplistic ground: **Why has nobody told me this before book sale** Yet Dr Smith never crosses this line and she never addresses her readers from above lecturing much less patronizing her audience. **Why has nobody told me this before kindle** There are many icons and arrows in the book but the reader never feels treated lightly. **Why has nobody told me this before book pdf** On the contrary the surface is plain but the core of the book (the "tools") is quite worthy. **Why has nobody told me this before book pdf** Perhaps the reader could do with less graphics drawings and charts. **Why has nobody told me this before audiobook** These take a good percentage of the total space a bit too much: **Why has nobody told me this before flipkart** For instance a simple box with three blank columns Values goals day to day a template for the reader to make his / her own charts takes a whole page. **Why has nobody told me this before deutsch** Is that necessary?And related to the previous this is one against the publisher: **Why has nobody told me this before book sale** The book falls for a common failure: it has 352 pages in the first hardback edition and should have been 152: **Why has nobody told me this before flipkart** But yet again the book is very good and it could (and should) be only the first of a long and illustrious career, **Why has nobody told me this before pdf free** Dr Julie Smith has a lot to tell and she's happy to share it; that's very good news, **Why has nobody told me this before flipkart** Filled with secrets from a therapist's toolkit this is a must have handbook for optimising your mental health: **Why has nobody told me this before book sale** Dr Julie's simple but expert advice and powerful coping techniques will help you stay resilient no matter what life throws your way: **Why has nobody told me this before author** Why Has Nobody Told Me This Before?: The No 1 Sunday Times bestseller.

. You can target each topic as and when you need. I have just started it and I can't put it down. Thank you so much Dr Julie. A bit dissapointed but I'm exited to read it. First things first; these are the signs of these times.A large online presence has brought Dr Smith remarkable fame. She's an actual scientist and it shows.And what's wrong with the book? Not much nothing important. As if a volume would be better for merely being thicker. A big mistake unfortunately quite common these days
