

Ultimate Nigerian Cookbook: Best Cookbook for making Nigerian Foods By David Anegbu :

I have created and learned hundreds of Nigerian recipes. I have written thousands of articles on Nigerian foods and recipes. I have published several eBooks and cookbooks on Nigerian cooking. 18 shipping Ultimate Nigerian Cookbook: Best Cookbook for making Nigerian Foods

Interesting book and easy to follow recipes: 144 pages I was so disappointed with the book it wasn't what I expected, The picture quality or images in the book of the food were poor: I noticed some errors on page 14 were there is a caption above the small picture at the bottom of the page describing what foods were in the pictures on page 15: The instructions were not all that clear or descriptive enough in my opinion for someone wanting to learn Nigerian cooking, 144 pages Book isn't the best in terms of explaining procedures. 144 pages Lovely recipes quick delivery 144 pages Book has a wide range of Nigerian recipes with pictures. However.

My name is Chy Anegbu I am a professional chef and an avid food blogger. I started making Nigerian foods from my 10th birthday in retrospect I still remember my first pot of soup I can't say how nice it tasted but it sure looked good. Over the last eighteen years poorly written gross spelling errors writing style/grammar could be improved also 144 pages.

.\$10. A disappointment considering the price charged for the book
